REPORT FROM REPORTING ACCOUNTANTS ON THE DISCOUNTED CASH FLOW FORECAST IN CONNECTION WITH THE VALUATION OF EQUITY INTEREST OF ZHEJIANG BIOHEART

To the Directors of Shanghai Bio-heart Biological Technology Co., Ltd.

We have been engaged to report on the arithmetical accuracy of the calculations of the discounted cash flow forecast (the "Forecast") on which the valuation dated December 25, 2024 prepared by China United Assets Appraisal Group (Zhejiang) Co., Ltd. ("中联资产评估集团(浙江)有限公司") in respect of the appraised value of equity interest of Zhejiang Bioheart Medical Equipment Co., Ltd. ("浙江百心安医疗器械有限公司") (the "Target") as at November 30, 2024 is based. The valuation is set out in the announcement of Shanghai Bio-heart Biological Technology Co., Ltd. (the "Company") dated January 2, 2025 (the "Announcement") in connection with the deemed disposal of equity interest in the Target. The valuation based on the Forecast is regarded by The Stock Exchange of Hong Kong Limited as a profit forecast under paragraph 14.61 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules").

Directors' responsibilities

The directors of the Company (the "Directors") are solely responsible for the Forecast. The Forecast has been prepared using a set of bases and assumptions (the "Assumptions"), the completeness, reasonableness and validity of which are the sole responsibility of the Directors. The Assumptions are set out on page 2 of the Announcement.

Our Independence and Quality Control

We have complied with the independence and other ethical requirements of the *Code of Ethics for Professional Accountants* issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"), which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behavior.

Our firm applies Hong Kong Standard on Quality Control 1 *Quality Control for Firms that Perform Audits and Reviews of Financial Statements, and Other Assurance and Related Services Engagements*, and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Reporting Accountants' responsibilities

Our responsibility is to express an opinion on the arithmetical accuracy of the calculations of the Forecast based on our work. The Forecast does not involve the adoption of accounting policies.

We conducted our engagement in accordance with Hong Kong Standard on Assurance Engagements 3000 (Revised) *Assurance Engagements Other Than Audits or Reviews of Historical Financial Information* issued by the HKICPA. This standard requires that we plan and perform our work to obtain reasonable assurance as to whether, so far as the arithmetical accuracy of the calculations are concerned, the Directors have properly compiled the Forecast in accordance with the Assumptions adopted by the Directors. Our work consisted primarily of checking the arithmetical accuracy of the calculations of the Forecast prepared based on the Assumptions made by the Directors. Our work is substantially less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing issued by the HKICPA. Accordingly, we do not express an audit opinion.

We are not reporting on the appropriateness and validity of the Assumptions on which the Forecast are based and thus express no opinion whatsoever thereon. Our work does not constitute any valuation of the Target. The Assumptions used in the preparation of the Forecast include hypothetical assumptions about future events and management actions that may or may not occur. Even if the events and actions anticipated do occur, actual results are still likely to be different from the Forecast and the variation may be material. Our work has been undertaken for the purpose of reporting solely to you under paragraph 14.60A(2) of the Listing Rules and for no other purpose. We accept no responsibility to any other person in respect of our work, or arising out of or in connection with our work.

Opinion

Based on the foregoing, in our opinion, so far as the arithmetical accuracy of the calculations of the Forecast is concerned, the Forecast has been properly compiled in all material respects in accordance with the Assumptions adopted by the Directors.
