INTRODUCTION

The Board is pleased to announce a Strategic Funding & Partnership Proposal, under which, Gaw Capital, at the invitation of the Controlling Shareholder, will, through its managed funds, become a new long-term strategic investor in the Company. Gaw Capital is a well-regarded institutional real estate investor with a strong track record of investing in Asia and other major international markets,

Both the Controlling Shareholder and Gaw Capital (through its managed funds) will contribute cash to capitalise Newco, such that Newco will subscribe for the Rights Issue at the Subscription Price that is at a premium to the Closing Price. In addition, the Company will also issue a Senior Unsecured Note to the Note Subscriber, bringing the total cash raised for the Company to approximately HK\$1,992 million (before interests and expenses).

OVERVIEW

The Company proposes to raise approximately HK\$1,992 million (before interests and expenses) by way of the following, which are structured to facilitate the introduction of Gaw Capital as a strategic investor (through its managed funds) without any change of control in the Company, whilst allowing all Shareholders to also participate with the Investor in the Company's future growth:

1. **Proposed Rights Issue**, being a rights issue of 8,288,810,708 Rights Shares on the basis of 18 Rights Shares for every 10 Consolidated Shares held on the Record Date so as to raise aggregate proceeds of approximately HK\$1,492 million, before expenses, of which approximately HK\$1,158 million will be provided by Newco funded by Digisino and Investor. Pursuant to the Irrevocable Undertaking, Newco has irrevocably undertaken to procure that all of the Rights Shares to be provisionally allotted to it or its subsidiaries are taken up, equivalent to approximately HK\$839 million in aggregate, and further undertaken to procure application for a further 1,774,724,996 Rights Shares at an aggregate cost of up to approximately HK\$319 million under an EAF. The remaining balance of approximately HK\$334 million is fully-underwritten by the Underwriter. For details of the Irrevocable Undertaking and the underwriting arrangement, please refer to the sections headed "Irrevocable Undertaking" and "THE RIGHTS ISSUE UNDERWRITING AGREEMENT" in this announcement.

The Subscription Price is set at HK\$0.1800 per Rights Share, which represents a premium of approximately [4.65]% over the theoretical closing price of HK\$[0.1720] per Consolidated Share based on the closing price of HK\$[0.0860] per

Existing Share on the Last Trading Day, and a premium of approximately [1.64]% over the theoretical ex-rights price of approximately HK\$[0.1771] per Consolidated Share based on the theoretical closing price of HK\$[0.1720] per Consolidated Share based on the closing price of HK\$[0.0860] per Existing Share on the Last Trading Day, to prevent price dilution; and

2. **Proposed issuance of Senior Unsecured Note**, being a 4-year senior unsecured note to be issued to the Note Subscriber, a special purpose vehicle owned by a consortium of institutional investors led by a subsidiary of Gaw Capital (as general partner of Gateway Real Estate Fund VII (Singapore) L.P.), by a wholly-owned subsidiary of the Company] in a principal amount of HK\$500 million with an interest rate of 8.22% per annum.

The Board also proposes the Bonus Warrants Issue with the aim to further enhance Shareholders' participation in the Company's future development.

Under the proposed **Bonus Warrants Issue**, all Shareholders will be entitled to receive Bonus Warrants on the basis of one (1) Bonus Warrant for every ten (10) Consolidated Shares (or every twenty (20) Existing Shares prior to the Share Consolidation) held on the Record Date. Holders of the Bonus Warrants will be entitled to subscribe for Bonus Warrant Shares at an initial Warrant Subscription Price of HK\$0.22, subject to adjustment, at any time before the Warrant Expiry Date.

In connection with the Strategic Funding & Partnership Proposal, among others, the following have been entered into on [22] January 2025 ([before/after] trading hours of the Stock Exchange):

1. a Subscription Agreement and Shareholders' Agreement between Digisino, Investor and Newco:

Pursuant to the Subscription Agreement, Digisino will contribute all its presently-held Existing Shares in the Company by transferring the entire issued share capital of Earnest Equity to Newco. This contribution consists of 5,179,192,062 Existing Shares controlled by Mr. Chung, representing in aggregate approximately 56.24% of the Company's total issued share capital as at the date of this announcement. Digisino and Investor will provide Newco loans of HK\$400 million and approximately HK\$758 million, respectively. The Subscription Agreement further provides that, on completion of the Rights Issue, the respective loans shall be converted into shares of Newco proportionate to the Rights Shares to be held by Newco indirectly via Earnest Equity and Golden Boost, with Mr. Chung continuing to maintain statutory and Takeovers Code control over Newco. Pursuant to the Shareholders' Agreement, Investor will have a right to nominate one director to the board of directors of Newco. Should the Rights Issue not proceed or should the excess application only be partially accepted, the Loan Funds, or the residual amount of the Loan Funds, will be repaid to the respective parties.

The funds thus injected to Newco will be fully applied (net of expenses) towards the taking up all nil-paid shares provisionally allotted under the Rights Issue to Earnest Equity and Golden Boost and the funding of the excess application;

- 2. a letter of undertaking by Digisino, Newco and the Company in favour of Investor pursuant to which, among other things, (i) Digisino and Newco agreed and undertook to, with effect from the Strategic Funding & Partnership Proposal Completion Date and for so long as the Investor remains a shareholder of Newco, use their respective best endeavours to procure the appointment of one individual (or his/her replacement) to be nominated by the Investor as a non-executive Director; and (ii) the Company undertook to do all such things for such appointment; and
- 3. the Note Subscription Agreement.

Further to the Strategic Funding & Partnership Proposal, the Share Consolidation, Authorised Share Capital Increase and change in board lot size have been proposed. Given the current trading price of the Existing Shares is below HK\$0.1 and the value per board lot is considerably less than HK\$2,000, the Board proposes the Share Consolidation under which every two 2 Existing Shares of par value HK\$0.008 each will be consolidated into one 1 Consolidated Share of par value HK\$0.016. Following this, the board lot size for trading will change from 10,000 Existing Shares to 20,000 Consolidated Shares per board lot. The fund-raising elements of the Strategic Funding & Partnership Proposal will be executed after the Share Consolidation and the Change in Board Lot Size having become effective.

RATIONALE OF THE PROPOSAL AND EXPECTED BENEFITS

The Company reported a consolidated loss for the 2024 financial year, being the Company's first reported annual loss since the Controlling Shareholder acquired control of the Company in 2004. Considering the uncertain capital markets environment and significant downtown of the real estate sector in Hong Kong, the Board has been actively seeking longer-term funding to reposition the Group's balance sheet and in particular, to provide a safety margin to the Group's upcoming debt due.

Rationale

The following considerations have been taken on board in arriving the terms and structure of the long-term funding and strategic partnership proposal:

- (a) The amount of funding required to strengthen the Group's liquidity and financial stability enabling it to repay the Groups' maturing indebtedness;
- (b) to allow Shareholders to participate fairly in pro-rata to their existing shareholding in the Company and avoid equity dilution by issuing bilateral instrument such as share placement or other quasi-equity instrument to third parties;
- (c) to insulate share value dilution to Shareholders by pricing the issue price of the Rights Shares at a premium to Closing Market Price; and
- (d) The formation of the Newco and its related arrangements to lock in the long-term commitment of the Investor in the Company, and at the same time fully align with the Investor's expectation that the Controlling Shareholder shall remain committed to work in partnership together to achieve the Business Plans as defined in this

announcement, and to comply with the covenants of the Group's existing banking facilities for the maintenance of shareholding control by the Controlling Shareholder.

The Board considers that the Strategic Funding & Partnership Proposal has addressed all the above considerations and presents a fair proposal taking into account of the interests of the Shareholders and the Investors.

Expected Benefits

The introduction of Gaw Capital as a strategic investor through its managed funds, together with the Controlling Shareholder's new cash commitment will bring much needed equity capital and also potentially bring new opportunities in the future.

The Directors (except the members of the Independent Board Committee whose opinion is subject to the advice of Independent Financial Adviser) consider the Proposal to be a milestone for the Company, repositioning for future growth and shareholders. Having Gaw Capital as the Company's long-term, strategic investor and business partner through its managed funds, the Company will be well positioned to gain access to the business and funding opportunities that Gaw Capital brings.

The Board is aware of the significant discount of the market price of the Company's Shares to the NAV and anticipates to work with Gaw Capital in reducing this discount given their institutional perspectives and expertise across different international markets. The Directors are confident that Gaw Capital will through its managed funds enhance shareholders value, together with the Company's management, which has delivered sustained period of reported profits (except for the last interim results) since taking control of the Company in 2004.

The Strategic Funding & Partnership Proposal is consistent with the Company's stated objectives in its interim results announcement dated 28 November 2024, including prudent risk management and optimising the Company's capital structure to ensure adequate liquidity for debt obligations and potential future opportunities.

The Board is committed to further enhancing the Company's capital structure. Should favourable market conditions present themselves, the Company plans to potentially leverage both equity and debt capital markets with the aim of strengthening its balance sheet.

INTENDED USE OF PROCEEDS

The Strategic Funding & Partnership Proposal is expected to generate additional liquidity through raising of approximately HK\$1,992 million, before interests and expenses, to strengthen the Company's financial position. The Board intends to apply the net proceeds from the Proposal as working capital and towards reducing indebtedness, which shall in turn enhance the Company's financial position.

FUTURE INTENTION AND BUSINESS PLANS

As disclosed in the Company's interim results announcement on 28 November 2024, the Board will continue to enhance and maintain the Company's liquidity and financial position, as well as managing a sustainable maturity profile for its liabilities. In the future, the Board will review various business plans and options that align with the Company's strategic

objectives and its current growth trajectory. These plans, by no means exhaustive, and subject to market conditions, include the following:

- De-leverage the balance sheet of the Group to a more sustainable level;
- Continue with the Group's current sales programme, targeting to achieve at least HK\$9,000 million in sales (based on a gross asset value attributable to the Group) within the next four (4) financial years ending 31 March 2029) to generate sufficient funds for debt repayment and demonstrating the Group's ability to monetise its property portfolio, with the aim of reducing the disparity between Group's NAV and the trading price of the Shares. In the event that the aforementioned sales target is not met, the Group will seek to enhance its sales efforts to close the gap;
- Conduct business as usual but with a heightened strategic focus on exploring ways to reduce the discount between the price of the Shares and their attributable NAV, aiming to attract a market revaluation of the trading price of the Shares for the benefit of the Shareholders; and
- To abstain from engaging in new significant investments or acquisitions without first obtaining approval from an investment committee, which will be established subsequent to the completion of the Strategic Funding & Partnership Proposal.

IMPLICATIONS UNDER THE TAKEOVERS CODE AND LISTING RULES

The acquisition of more than 30% of the voting rights in the Company by Newco as a result of the Subscription Agreement will trigger an obligation to make a mandatory general offer for all the issued shares of the Company pursuant to the Notes to Rule 26.1 of the Takeovers Code, unless a waiver is granted by the SFC.

In this regard, the Company has been informed by Mr. Chung that Newco, has applied for [, and the SFC has on [*] granted,] a waiver from the obligation to make a mandatory general offer pursuant to Note 6(a) to Rule 26.1 of the Takeovers Code in relation to the transactions contemplated under the Strategic Funding & Partnership Proposal.

[As a result, the transactions contemplated under the Strategic Funding & Partnership Proposal are subject to granting of such Waiver from the SFC and the Company will issue an announcement upon receipt of the SFC's approval.]

In accordance with LR7.19A(1) and LR7.27A(1), as the Rights Issue will increase the total number of issued Consolidated Shares of the Company by more than 50% within 12 months period immediately preceding the date of this announcement (after taking into account the effect of the Authorised Share Capital Increase), the Rights Issue is conditional upon Independent Shareholders' approval at the SGM.

Pursuant to LR7.27A, Earnest Equity, Newco and their respective associates will be required to abstain from voting in favour of the resolution(s) relating to the Rights Issue.

At the invitation of the Controlling Shareholder, the Investor agreed to acquire material equity interests in Newco through entering into the Subscription Agreement and the Shareholders Agreement in respect of the Strategic Funding & Partnership Proposal with Digisino and Newco, both of which are connected persons of the Company. The Investor is treated as a connected person of the Company under LR14A.20, and so is the Note Subscriber which is also owned by a consortium of institutional investors led by a subsidiary of Gaw Capital (as general partner of Gateway Real Estate Fund VII (Singapore) L.P.). Given that the Facilitation Agreement and the Note Subscription Agreement are entered into in association with each other as parts of the Strategic Funding & Partnership Proposal, the transactions contemplated thereunder will be treated as connected transactions of the Company subject to Independent Shareholders' approval under Chapter 14A of the Listing Rules. Shareholders with a material interest in the transactions contemplated are required to abstain from voting on the relevant resolution at the SGM.

At the date of this announcement, Mr. Chung, indirectly through his 100%-controlled entity, Digisino and its subsidiary, Earnest Equity, controls 5,179,192,062 Existing Shares, representing approximately 56.24% of the entire issued share capital of the Company. Therefore, Mr. Chung and his associates, including Kan Sze Man, who is interested in 23,790,500 Existing Shares, representing approximately 0.26% of the entire issued share capital of the Company, are required to abstain from voting in favour of the resolution(s) in relation to the Rights Issue, the Note Subscription Agreement and the Facilitation Agreement and the transactions contemplated thereunder at the SGM.

The Independent Board Committee (comprising Mr. Cheng Yuk Wo, Mr. Shek Lai Him, Abraham and Mr. Lo Wing Yan, William, each being an independent non-executive Director) has been established to advise the Independent Shareholders in respect of the terms of the Rights Issue, the Note Subscription Agreement and the Facilitation Agreement. The Independent Financial Adviser has been appointed to advise the Independent Board Committee and the Independent Shareholders as to whether the terms of the Rights Issue, the Note Subscription Agreement and the Facilitation Agreement are on normal commercial terms, fair and reasonable and in the interests of Company and the Shareholders as a whole.

The Bonus Warrants will be issued pursuant to a specific mandate to be sought at the SGM. In addition, the issue of the Bonus Warrants will require approval by the Stock Exchange pursuant to LR15.02 and the listing of, and permission to deal in, the Bonus Warrant Shares will require approval by the Stock Exchange.

I. OVERVIEW - INVITATION BY CONTROLLING SHAREHOLDER TO GAW CAPITAL TO BECOME A CO-INVESTOR IN NEWCO FOR RIGHTS ISSUE THROUGH ITS MANAGED FUNDS

The Board is pleased to announce the Strategic Funding & Partnership Proposal under which, Gaw Capital, at the invitation of the Controlling Shareholder, will through its managed funds become a new long-term strategic investor in the Company. Gaw Capital is a well-regarded institutional real estate investor with a strong track record of investing in Asia and other major globally.

The Board considers the invitation by the Controlling Shareholder to Gaw Capital to become a co-investor in Newco through its managed funds to partly fund the Rights Issue at a Subscription Price higher than the Closing Price and the Note Subscriber's direct subscription of the Senior Unsecured Note to be a sound financial solution to address the Company's immediate liquidity needs, in comparison to other less favourable alternatives in the current market environment.

App D1B para 18(3)

To facilitate the introduction of Gaw Capital as a strategic investor (through its managed funds) and allowing Shareholders to participate in the Company's future growth, Digisino, Investor, and the Company have agreed to the Strategic Funding & Partnership Proposal with a view to raising aggregate proceeds of approximately HK\$1,992 million (before expenses and interests) involving:

1. **the proposed Rights Issue**, being a rights issue of 8,288,810,708 Rights Shares on the basis of 18 Rights Shares for every 10 Consolidated Shares held on the Record Date at a premium to Closing Price to raise aggregate gross proceeds of approximately HK\$1,492 million, before expenses, of which approximately HK\$1,158 million has been committed under the Irrevocable Undertaking. Under the Irrevocable Undertaking, Newco has irrevocably undertaken to, and shall procure that Newco's subsidiaries shall, accept and pay approximately HK\$839 million for all of the Rights Shares (that is, a total of 4,661,272,854 Rights Shares) to be provisionally allotted to them under PALs, and shall apply for and tender payment of approximately HK\$319 million for a total of 1,774,724,996 excess Rights Shares under EAFs. The remaining balance of approximately HK\$334 million is fully underwritten by the Underwriter. For details of the Irrevocable Undertaking and the underwriting arrangement, please refer to the sections headed "Irrevocable Undertaking" and "THE RIGHTS ISSUE UNDERWRITING AGREEMENT" of this announcement.

The Subscription Price is set at HK\$[0.18] per Rights Share, which represents a premium of approximately [4.65]% over the theoretical closing price of HK\$[0.1720] per Consolidated Share based on the closing price of HK\$[0.0860] per Existing Share on the Last Trading Day, and a premium of approximately [1.64]% over the theoretical ex-rights price of approximately HK\$[0.1771] per

Consolidated Share based on the theoretical closing price of HK\$[0.1720] per Consolidated Share based on the closing price of HK\$[0.0860] per Existing Share on the Last Trading Day, reflecting intention that the Rights Issue should not be price dilutive. For more details of the Rights Issue, please refer to the section headed "THE RIGHTS ISSUE" in this announcement; and

2. **the proposed Senior Unsecured Note**, being a 4-year senior unsecured note to be issued to the Note Subscriber by the Note Issuer in the principal amount of HK\$500 million on normal commercial terms with an interest rate of 8.22% per annum. For details of the Note Subscription Agreement, please refer to the section headed "ISSUE OF THE SENIOR UNSECURED NOTE" of this announcement.

In addition to the Rights Issue and the Senior Unsecured Note, the Board also proposes the **Bonus Warrants Issue** alongside the Strategic Funding & Partnership Proposal with the aim to further enhance Shareholders' participation in the Company's future strategic development.

Under the proposed Bonus Warrants Issue, all existing Shareholders will be entitled to receive Bonus Warrants on the basis of one (1) Bonus Warrant for every ten (10) Consolidated Share held on the Record Date. Holders of the Bonus Warrants will be entitled to subscribe for Consolidated Shares at an initial Warrant Subscription Price of HK\$0.22, subject to adjustment, at any time before the Warrant Expiry Date. Please refer to the section headed "PROPOSED BONUS WARRANTS ISSUE" of this announcement for more details of the Bonus Warrants Issue.

Formation of Newco, the Subscription Agreement and the Shareholders' Agreement

In connection with the Strategic Funding & Partnership Proposal, the Subscription Agreement and the Shareholders Agreement have been entered into on [22] January 2025 ([before/after] trading hours of the Stock Exchange) amongst Digisino, Investor and Newco

At present, Mr. Chung beneficially owns (directly and indirectly) 5,179,192,062 Existing Shares in the Company (approximately 56.24% of the total issued share capital of the Company), of which the beneficial interest in 3,045,000 Existing Shares, representing approximately 0.03% of the total issued share capital of the Company, is held directly by Mr. Chung, and the beneficial interest in 5,176,147,062 Existing Shares (representing approximately 56.20% of the total issued share capital in the Company) are held through Earnest Equity, a company indirectly wholly-owned by Mr. Chung.

The following diagram sets out the current shareholding structure in respect of the ownership and control of the Company by Mr. Chung, as the ultimate beneficial owner of Earnest Equity, prior to the formation of Newco:

Pursuant to the Subscription Agreement, Digisino will transfer to Newco the entire issued share capital of Earnest Equity together with all debts of Earnest Equity and Mr. Chung will transfer all Shares he personally holds to Earnest Equity and Golden Boost.

Digisino and Investor agreed to each provide Newco a loan of HK\$400 million and approximately HK\$758 million (together, the "Loan Funds"), respectively, to fund the obligation of Earnest Equity and Golden Boost, respectively to participate in the Rights Issue. The Subscription Agreement further provides that, on completion of the Rights Issue, the respective loans shall be converted into shares in Newco proportionate to the Rights Shares to be held by Newco indirectly via Earnest Equity and Golden Boost respectively, with Mr. Chung continuing to maintain statutory and Takeovers Code control over Newco. Prior to completion of the Rights Issue, Investor will hold less than 1% of the issued share in Newco and it will have a right to nominate one director to the board of directors of Newco upon completion of the Rights Issue. Should the Rights Issue not proceed or should the excess application by Golden Boost only be partially accepted, the Loan Funds, or the residual amount of the Loan Funds, will be repaid to the respective parties.

The following diagram sets out the shareholding structure in respect of the ownership and control of the Company by Mr. Chung immediately after completion of the Rights Issue:

Notes:

- 1. Assuming the excess applications are fully accepted, Mr. Chung's beneficial shareholding in Newco will be approximately 53% and the Investor's beneficial shareholding in Newco will be approximately 47%.
- 2. Represents 2,589,586,031 Consolidated Shares held by Earnest Equity (based on its 5,179,172,062 Existing Shares it will beneficially hold after completion of the Subscription Agreement) and the 2,222,222,222 Rights Shares to be taken up using the approximately HK\$400 million-loan provided by Digisino (which will in turn be funded by Mr. Chung).
- 3. Represents 10,000 Consolidated Shares (or 20,000 Existing Shares) which Golden Boost will hold after completion of the Subscription Agreement and the 2,439,050,632 Rights Shares which will be taken up by Golden Boost using the approximately HK\$439 million-loan provided by Investor.
- 4. After applying approximately HK\$439 million to take up the remaining 2,439,050,632 Rights Shares that are provisionally allotted for the benefit of the subsidiaries of Newco, the remaining approximately HK\$319 million loan provided by Investor will be applied towards the excess application for no more than 1,774,724,996 unsubscribed Right Shares.
- 5. Pursuant to the irrevocable undertaking made by Mr. Kan Sze Man, who undertook not to accept any of 21,411,450 Rights Shares to be provisionally allotted to him under PALs pursuant to the Rights Issue and shall not apply for any excess Rights Shares under the EAF. For details of the irrevocable undertaking made by Mr. Kan Sze Man, please refer to the section headed "Irrevocable Undertaking" in this announcement. The 21,411,450 Rights Shares not accepted by Mr. Kan Sze Man have been assumed to be taken up by Newco's subsidiaries.

Intended Use of Proceeds

The Strategic Funding & Partnership Proposal is expected to generate additional liquidity through raising of approximately HK\$1,992 million, before interests and expenses, to strengthen further the Company's financial position. The Board intends to apply the proceeds from the Strategic Funding & Partnership Proposal as working capital and in or towards retiring indebtedness, which in turn will enhance the Company's financial position and its ability to tap future financing from banks and public markets as opportunities arise.

Business Plans

As disclosed in the Company's interim results announcement on 28 November 2024, the Board will continue to enhance and maintain the Company's liquidity and financial position, as well as managing a sustainable maturity profile for its liabilities. In the future, the Board will review various business plans and options that align with the Company's strategic objectives and its current growth trajectory. These plans, by no means exhaustive, and subject to market conditions, include the following:

- De-leverage the balance sheet of the Group to a more conservative level;
- Continue with the Group's current sales programme, targeting to achieve at least HK\$9,000 million in sales (based on a gross asset value attributable to the Group) within the next four (4) financial years ending 31 March 2029 to generate sufficient funds for debt repayment and demonstrate the Group's ability to monetise its property portfolio, with the aim of reducing the disparity between the Company's consolidated NAV and the trading price of the Shares. In the event that the aforementioned sales target is not met, the Group will seek to enhance its sales efforts to close the gap;
- Conduct business as usual but with a heightened strategic focus on exploring ways to reduce the discount between the price of the Shares and their attributable NAV, aiming to attract a market revaluation of the trading price of the Shares for the benefit of the Shareholders; and
- Not engaging in new significant investments or acquisitions without first obtaining approval from an investment committee, which will be established subsequent to the completion of the Strategic Funding & Partnership Proposal.

Continuity of Ownership and Management Control

By owning, through Digisino, approximately 53.31% of the total issued voting shares in Newco after the completion of the Rights Issue and conversion of the Loan Funds into voting shares of Newco, Mr. Chung will continue to maintain statutory control over the Company through Newco.

Thus, the implementation of the Proposal will not result in a change of management, leadership or control of the Company. The Board is encouraged by the financial support demonstrated by Investor and its commitment to work with the Board and management to implement the Group's business and strategic plans going forward.

Rationale and Expected Benefits of the Proposal

The Company reported a consolidated loss for the 2024 financial year, being the Company's first reported annual loss since Earnest Equity acquired control of the Company in 2004. Considering the uncertain capital markets environment and significant downtown of the real estate sector in Hong Kong, the Board has been actively seeking longer-term funding to reposition the Group's balance sheet and in particular, to provide a safety margin to the Group's upcoming debt due.

LR13.28(6) LR7.19A

The following considerations have been taken on board in arriving the terms and structure of the Strategic Funding & Partnership Proposal:

- the amount of funding required to strengthen the Group's liquidity and financial stability enabling it to repay the Groups' maturing indebtedness;
- (b) to allow Shareholders to participate fairly in pro-rata to their existing shareholding in the Company and avoid equity dilution by issuing bilateral

instrument such as share placement or other quasi-equity instrument to third parties;

- (c) to insulate share value dilution to Shareholders by pricing the issue price of the Rights Shares at a premium to Closing Market Price; and
- (d) The formation of the Newco and its related arrangements to lock in the long-term commitment of the Investor in the Company, and at the same time fully align with the Investor's expectation that the Controlling Shareholder shall remain committed to work in partnership together to achieve the Business Plans as defined in this announcement, and to comply with the covenants of the Group's existing banking facilities for the maintenance of shareholding control by the Controlling Shareholder.

The Board considers that the Strategic Funding & Partnership Proposal has addressed all the above considerations and presents a fair proposal taking into account of the interests of the Shareholders and the Investors.

The introduction of Gaw Capital as a strategic investor through its managed funds, together with the Controlling Shareholder's new cash commitment will bring much needed equity capital and also potentially bring new opportunities in the future.

The Directors (except the members of the Independent Board Committee whose opinion is subject to the advice of Independent Financial Adviser) consider the Proposal to be a milestone for the Company, repositioning for future growth and shareholders. Having Gaw Capital as the Company's long-term, strategic investor and business partner (through its managed funds), the Company will be well positioned to gain access to the business and funding opportunities that Gaw Capital brings.

The Board is aware of the significant discount of the market price of the Company's Shares to the NAV and anticipates to work with Gaw Capital in reducing this discount given their institutional perspectives and expertise across different international markets. The Directors are confident that Gaw Capital will through its managed funds enhance shareholders value, together with the Company's management, which has delivered sustained period of reported profits (except for the last interim results) since taking control of the Company in 2004.

The Strategic Funding & Partnership Proposal is consistent with the Company's stated objectives in its interim results announcement dated 28 November 2024, including prudent risk management and optimising the Company's capital structure to ensure adequate liquidity for debt obligations and potential future opportunities.

The Board is committed to further enhancing the Company's capital structure. Should favourable market conditions present themselves, the Company plans to potentially leverage both equity and debt capital markets with the aim of strengthening its balance sheet.

Expected Timetable

The expected timetable for the Strategic Funding & Partnership Proposal set out below is for indicative purposes only and has been prepared on the assumption that the conditions of the Share Consolidation, the Authorised Share Capital Increase, the Change in Board Lot Size, the Right Issue and the Bonus Warrants Issue will be fulfilled. All times and dates in this announcement refer to Hong Kong local times and dates. The expected timetable is subject to change, and any changes will be announced by the Company as and when appropriate.

LR13.28(7)

Shareholders whose Shares are held by nominee companies (or which are deposited in CCASS) should note that the Board will regard a nominee company (including HKSCC Nominees Limited) as a single Shareholder according to the register of members of the Company. Shareholders with their Shares held by nominee companies (or which are deposited in CCASS) are advised to consider whether they would like to arrange for registration of the relevant Shares in the name of the beneficial owner(s) prior to the Record Date. Shareholders should consult their professional advisers if they are in doubt.

App D1B para 18(2)

In order to be registered as a member of the Company on the Record Date, a Shareholder must lodge the relevant transfer(s) of Share(s) (with the relevant share certificates) with the share registrar of the Company in Hong Kong by no later than 4:30 p.m. [Wednesday, 12 March 2025].

Rights of the Overseas Shareholders

LR13.28(1 5)

The Prospectus Documents are not intended to be registered under the applicable securities legislation of any jurisdiction other than Hong Kong. Overseas Shareholder(s) may not be eligible to take part in the Rights Issue as explained below.

In compliance with the necessary requirements of the Listing Rules, the Company will make enquiries regarding the feasibility of extending the Rights Issue to the Overseas Shareholder(s) (if any). If, based on legal opinions, the Directors consider that it is necessary or expedient not to offer the Rights Shares to the Overseas Shareholders on account either of the legal restrictions under the laws of the relevant place(s) or the requirements of the relevant regulatory body or stock exchange in that (those) place(s), the Rights Issue will not be extended to such Overseas Shareholders. As at the date of this announcement, there is only one Overseas Shareholder, with a registered address situated in Canada.

The basis for excluding the Non-Qualifying Shareholders(s), if any, from the Rights Issue will be set out in the Prospectus. The Company will send the Prospectus (without the PAL and EAF) and a letter explaining the circumstances in which the Non-Qualifying Shareholders are not permitted to participate in the Rights Issue to the Non-Qualifying Shareholders for their information only.

Overseas Shareholders should note that they may or may not be entitled to the Rights Issue, subject to the results of enquiries made by the Directors pursuant to LR13.36(2)(a) of the Listing Rules.

The Rights Issue does not constitute or form part of any offer or invitation to sell or issue, or any solicitation of any offer to acquire, nil-paid Rights Shares or fully-paid Rights Shares or to take up any entitlements to nil-paid Rights Shares or fully-paid Rights Shares in any jurisdiction in which such an offer or solicitation is unlawful. Shareholders and beneficial owners of the Shares (including, without limitation, their respective agents, custodians, nominees and trustees) should inform themselves of and observe any such restrictions. Any failure to comply with these restrictions may constitute a violation of the securities laws of any such jurisdiction.

Status of the Rights Shares

The Rights Shares (when allotted, issued and fully paid) will rank pari passu in all respects with the Consolidated Shares then in issue. Holders of fully-paid Rights Shares will be entitled to receive all future dividends and distributions which may be declared, made or paid, the record dates of which are on or after the date of allotment and issue of the fully-paid Rights Shares.

LR13.28(2)

App D1B para 18(2)

No fractional entitlements to the Rights Shares

Shareholders will be allotted nil-paid Rights Shares strictly based on whole multiples of ten (10) Consolidated Shares held on the Record Date. The Company will not provisionally allot or issue, and will not accept applications for, any fraction of the Rights Shares and the provisional allotments of the Qualifying Shareholders will be rounded down to the nearest whole number. All fractions of Rights Shares will be aggregated. All nil-paid Rights Shares arising from such aggregation will be provisionally allotted (in nil-paid form) to a nominee and sold in the market for the benefit of the Company if a premium (net of expenses) can be obtained, and the Company will retain the proceeds from such sale. Any unsold Rights Shares arising from such aggregation will be made available for excess application by the Qualifying Shareholders under the EAFs.

App D1B para 18(2)

In order to facilitate the trading of odd lots of shares arising from the Share Consolidation and the Change in Board Lot Size or the Rights Issue, a designated broker will be appointed to provide odd lots matching services. Details of the odd lot arrangement will be provided in the Circular.

Application for excess Rights Shares

LR13.28(7)

Qualifying Shareholders shall be entitled to apply, by way of excess application under the EAF(s) for additional Rights Share(s) in excess of their provisional allotments. Applications for excess Rights Shares may be made for:

LR7.21(1a)

- (i) any Rights Shares which would have been provisionally allotted to the Non-Qualifying Shareholders had they been Qualifying Shareholders;
- (ii) any Rights Shares provisionally allotted to but not validly accepted by the Qualifying Shareholders or otherwise subscribed for by renounces or transferees of Rights Shares in nil-paid form; and
- (iii) any unsold Rights Shares created by aggregating fractions of Rights Shares in nilpaid form.
- (i) to (iii) are collectively referred to as "excess Rights Shares".

Pursuant to LR7.21(3)(a) of the Listing Rules, the Company will allocate the excess Rights Shares (if any) at their discretion but on a fair and equitable basis as far as practicable on the following principles:

- (i) any excess Rights Shares will be allocated to Qualifying Shareholders who apply for them on a pro rata basis by reference to the number of excess Rights Shares applied for;
- (ii) reference will only be made to the number of excess Rights Shares applied for and no reference will be made to the number of Rights Shares comprised in a Shareholder's PAL or the number of Consolidated Shares held by a Qualifying Shareholder on the Record Date; and

(iii) if the aggregate number of Rights Shares not taken up by the Qualifying Shareholders and/or transferees of nil-paid Rights Shares under the PALs is greater than the aggregate number of excess Rights Shares applied for through the EAFs, the Company will allocate to each Qualifying Shareholder who applies for excess Rights Shares all excess Rights Shares applied for by that Qualifying Shareholder.

In applying the above principles, reference will only be made to the number of excess Rights Shares being applied for. No preference will be given to topping up odd lots to whole board lots.

Qualifying Shareholders who wish to apply for excess Rights Shares in addition to their provisional allotments must complete the EAF in addition to the PAL.

LR13.28(7)

Applications for excess Rights Shares can be made only by the Qualifying Shareholders and only by duly completing and signing an EAF (in accordance with the instructions printed therein) and lodging the same with a separate remittance for the excess Rights Shares being applied for with the Company's share registrar, Computershare Hong Kong Investor Services Limited, at Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, no later than 4:00 p.m. on Monday, 7 April 2025 or such later date as the Company may determine.

Pursuant to LR7.21(3)(b) of the Listing Rules, the Company will take steps to identify the excess applications made by Earnest Equity and, or its associates (collectively the "Relevant Shareholders"), whether in their own names or through nominees. The Company shall disregard excess applications made by the Relevant Shareholders to the extent that the total number of excess Rights Shares the Relevant Shareholders have applied for exceeds the maximum number equivalent to the total number of Rights Shares offered under the Rights Issue minus the number of Rights Shares taken up by the Relevant Shareholders under their provisional allotment of Rights Shares.

Shareholders with their Shares held by a nominee company (or which are deposited in CCASS) should note that the Board will regard such nominee company (including HKSCC Nominees Limited) as a single Shareholder according to the register of members of the Company. Accordingly, Shareholders should note that the aforesaid arrangement in relation to the allocation of the Excess Rights Shares will not be extended to beneficial owners individually save and except for the beneficial owner(s) which the Company may permit in its absolute discretion. Shareholders with their Shares held by a nominee company (or which are deposited in CCASS) are advised to consider whether they would like to arrange for the registration of the relevant Shares in their own names on or prior to the Record Date for the purpose of the Rights Issue. Shareholders should consult their professional advisors if they are in any doubt as to their status. Shareholders who would like to have their names registered on the register of members of the Company on the Record Date, must lodge all necessary documents with the Company's share registrar, Computershare Hong Kong Investor Services Limited, at Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, for registration no later than 4:30 p.m. on Monday, 7 April 2025.

Taxation

Shareholders are advised to consult their professional advisers if they are in any doubt as to the taxation implications of the receipt, purchase, holding, exercising, disposing of or dealing in, the Bonus Warrants, nil-paid Rights Shares or the fully-paid Rights Shares and, regarding Non-Qualifying Shareholders, their receipt of the net proceeds, if any, from sales of the nil-paid Rights Shares on their behalf.

CCASS

The nil-paid Rights Shares and fully-paid Rights Shares will have the same board lot size as the Consolidated Shares.

Subject to the granting of the listing of, and permission to deal in, the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange as well as compliance with the stock admission requirements of HKSCC, the Rights Shares in both their nil-paid and fully-paid forms will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the respective commencement dates of dealings in the Rights Shares in both their nil-paid and fully-paid forms on the Stock Exchange or such other dates as may be determined by HKSCC. The initial Warrant Subscription Price was determined with reference to the theoretical market price of the Consolidated Shares. The Directors consider the terms of the Bonus Warrants Issue, including the initial Warrant Subscription Price thereof, to be fair and reasonable and in the interests of the Company and the Shareholders as a whole.

Assuming all the Bonus Warrants are exercised, a maximum amount of gross proceeds and net proceeds of approximately HK\$[101.31] million and HK\$[99.36] million, respectively, will be raised. The net price per Bonus Warrant Share is therefore approximately HK\$[0.2158]. If the Bonus Warrants and the Bonus Warrant Shares are issued after the Share Consolidation has become effective and the satisfaction of the above condition, the maximum nominal value of all the Bonus Warrant Shares that may fall to be issued is approximately HK\$[7.37] million.

LR13.28(5)

LR13.28(2)

Fractional Entitlements

Fractional entitlements to the Bonus Warrants (if any) will not be issued to the Qualifying Shareholders but will, where practicable, be aggregated and sold in the market. The net proceeds of sale will be retained for the benefit of the Company.

Overseas Shareholders

The Prospectus to be issued for the Bonus Warrants Issue will not be registered or filed under any securities legislation in any jurisdiction outside Hong Kong.

LR13.28(1 5)

In determining whether it would be necessary or expedient to exclude an Overseas Shareholder who is registered as a member of the Company on the Record Date, the Directors will make an enquiry regarding the legal restrictions under the laws of the relevant place and the requirements of the relevant regulatory body or stock exchange of the relevant place in which such Overseas Shareholder is residing. If the Directors are of the view that, after such enquiry, the exclusion of such Overseas Shareholder is necessary or expedient on account either of the legal restrictions under the laws of the relevant place or the requirements of the relevant regulatory body or stock exchange in that place, Bonus Warrants will not be granted to such Overseas Shareholder.

Bonus Warrants which would otherwise be issued to the Non-Qualifying Shareholder(s) under the Bonus Warrants Issue will be sold in the market as soon as possible after the commencement of dealings in the Bonus Warrants, if a premium (net of expenses) can be obtained. Any net proceeds of sale, after deduction of expenses, will be distributed in Hong Kong dollars to such Non-Qualifying Shareholder(s) pro rata to their respective holdings of Shares. Remittance thereof will be posted to them,

at their own risk, unless the amount falling to be distributed to such person(s) is less than HK\$100, in which case it will be retained for the benefit of the Company.

All Overseas Shareholders should consult their professional advisers as to whether or not they are permitted to participate in the Bonus Warrants Issue or whether any government or other consents are required, or other formalities need to be observed.

Reasons for the Bonus Warrants Issue

The Directors believe that the Bonus Warrants Issue will provide the Shareholders with an opportunity to participate in the growth of the Company.

LR13.28(6)

Fundraising Activities of the Group in the Past Twelve Months

The Company has not conducted any fundraising activities by issue of equity securities in the twelve months immediately before the date of this announcement.

VII. PROPOSED SHARE CONSOLIDATION, AUTHORISED SHARE CAPITAL INCREASE AND PROPOSED CHANGE IN BOARD LOT

Proposed Share Consolidation

Given the current trading price of the Existing Shares is below HK\$0.1 and the price per board lot is considerably less than HK\$2,000, the Board has considered the implications of LR13.64 and the "Guide on Trading Arrangements for Selected Types of Corporate Actions" issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 (updated in June 2024).

As a result, the Board intends to put forward to the Shareholders to effect the Share Consolidation which involves the consolidation of every two (2) issued and unissued Existing Shares of par value of HK\$0.008 each into one (1) Consolidated Share of par value of HK\$0.016. Following the Share Consolidation, the board lot size for trading will change from 10,000 Existing Shares to 20,000 Consolidated Shares per board lot. The Strategic Funding & Partnership Proposal will be executed after the Share Consolidation and the Change in Board Lot Size become effective.

Conditions of the Share Consolidation

The Share Consolidation is conditional upon the following:

- (i) the passing of an ordinary resolution by the Shareholders to approve the Share Consolidation;
- (ii) the compliance with all relevant procedures and requirements under the laws of Bermuda and Hong Kong (where applicable) and the Listing Rules to the effect of the Share Consolidation;
- (iii) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Consolidated Shares; and

As no Shareholders have any interest in the Share Consolidation that is different to that of Shareholders generally, no Shareholder will be required to abstain from voting in favour of the resolution relating to the Share Consolidation at the SGM.

The Share Consolidation is not conditional on the Rights Issue and is expected to become effective on [Monday, 10 March 2025], being the second Business Day following the expected fulfilment of the above conditions.

Effects of the Share Consolidation

As at the date of this announcement, the authorised share capital of the Company is HK\$180,000,000 divided into 22,500,000,000 Existing Shares with par value of HK\$0.008 each, of which 9,209,789,676 Existing Shares have been issued and are fully paid or credited as fully paid.

Assuming no further Existing Shares will be issued or repurchased between the date of this announcement and the date of the SGM, immediately after the Share Consolidation becoming effective but before the completion of the Rights Issue, the authorised share capital of the Company will be HK\$180,000,000 divided into 11,250,000,000 Consolidated Shares with par value of HK\$0.016 each, of which 4,604,894,838 Consolidated Shares (all fully paid or credited as fully paid) will be in issue.

Upon the Share Consolidation becoming effective, the Consolidated Shares will rank pari passu in all respects with each other in accordance with the Company's bye-laws. No fractional Consolidated Shares, if any, will be issued by the Company to the Shareholders. Any fractional Consolidated Shares will be aggregated, and if possible, sold and with any proceeds retained for the benefit of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Consolidated Shares regardless of the number of share certificates held by such holder.

Other than the relevant expenses to be incurred in relation to the Share Consolidation, the implementation thereof will not alter the underlying assets, business operations, management or financial position of the Company or the interests or rights of the Shareholders, save for any fractional Consolidated Shares which may arise.

Other securities of the Company

The Company has no outstanding convertible securities, options or warrants in issue which are convertible or exchangeable into shares in the Company as at the date of this announcement.

Exchange of existing share certificates for certificates for Consolidated Shares

Subject to the Share Consolidation having become effective, Shareholders may, during the period from [Monday, 10 March 2025] to [Wednesday, 16 April 2025] (both days inclusive), submit their share certificates for Existing Shares to the branch share registrar and transfer office of the Company in Hong Kong, Computershare Hong Kong Investor Services Limited, in exchange, at the expense of the Company, for new share certificates for the Existing Shares. Thereafter, existing share certificates for Existing Shares will continue to be good evidence of legal title and may be exchanged for new share certificates for Consolidated Shares at the expense of the Shareholders on payment of a fee of HK\$2.50 (or such higher amount as may be allowed by the Stock Exchange from time to time) for each existing share certificate cancelled or each new share certificate issued for Consolidated Shares but will not be acceptable for trading, settlement and registration purposes.

The new share certificates for the Consolidated Shares will be issued in Red colour in order to distinguish them from the existing share certificates in Yellow colour.

Listing and Dealings

Subject to the granting of the listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from

the commencement date of dealings in the Consolidated Shares on the Stock Exchange or such other date as determined by HKSCC.

Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS.

Authorised Share Capital Increase

The Board also proposes the Authorised Share Capital Increase that upon the Share Consolidation becoming effective, the authorised share capital of the Company be increased from HK\$180,000,000 divided into [11,250,000,000] Consolidated Shares of par value HK\$[0.016] each to HK\$[500,000,000] divided into [31,250,000,000] Consolidated Shares of par value HK\$[0.016] each so as to make available sufficient authorised but unissued Consolidated Shares for the allotment and issue of other new Consolidated Shares under the Rights Issue and the exercise of the Bonus Warrants in the future.

The proposed Authorised Share Capital Increase is conditional upon the passing of an ordinary resolution by the Shareholders at the SGM. Subject to such condition being fulfilled, the proposed Authorised Share Capital Increase is expected to become effective when the Share Consolidation becomes effective.

Proposed Change in Board Lot Size

The Existing Shares are currently traded on the Stock Exchange in a board lot size of 10,000 Existing Shares. The Board proposes to change the board lot size for trading from 10,000 Existing Shares to 20,000 Consolidated Shares upon the Share Consolidation becoming effective.

Based on the closing price of HK\$[0.0860] per Existing Share (equivalent to the theoretical closing price of HK\$[0.1720] per Consolidated Share) at the Last Trading Day, (i) the value per board lot of 10,000 Existing Shares is HK\$[860]; and (ii) the value of each board lot of 20,000 Consolidated Shares will be HK\$[3,440] assuming the Share Consolidation becoming effective.

Reasons for the Share Consolidation, Authorised Share Capital Increase and Change in Board Lot Size

Pursuant to LR13.64 of the Listing Rules, where the market price of the share approaches the extremities of HK\$0.01 or HK\$9,995.00, the Stock Exchange reserves the right to require the listed issuer to either change the trading method or to proceed with a consolidation or splitting of the existing shares. The "Guide on Trading Arrangements for Selected Types of Corporate Actions" issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 (and updated in June 2024) has further stated that (i) the market price of the share at a level less than HK\$0.10 each will be considered as trading at extremity as referred to under LR13.64 of the Listing Rules; and (ii) taking into account that the minimum transaction costs for a securities trade, the expected value per board lot should be greater than HK\$2,000.

In view of the prevailing trading price of the Shares at a level below HK\$0.10 and the value per board lot being substantially less than HK\$2,000, the Board proposes that upon the Share Consolidation becoming effective, based on the closing price of HK\$[0.0860] per Existing Share as at the date of this announcement, the theoretical share price of the Company be adjusted to HK\$[0.1720] per Consolidated Share. With a board lot size of 20,000 Consolidated Shares, the theoretical new board lot value would be HK\$[3,440], which would enable the Company to comply with the trading requirements under the Listing Rules. The Share Consolidation will increase the nominal value of the Shares. Accordingly, the Share Consolidation will bring about a corresponding upward adjustment in the trading price per board lot of the Consolidated Shares on the Stock Exchange, which will reduce the overall transaction and handling costs of dealings in the Shares. As a result, the Share Consolidation would not only enable the Company to comply with the trading requirements under the Listing Rules, but should also attract more investors and hence broaden the Shareholder base.

The Authorised Share Capital Increase will give the Company sufficient authorised but unissued Consolidated Shares for the allotment and issue of other new Consolidated Shares under the Rights Issue, and the Bonus Warrant Shares on the exercise of the Bonus Warrants in the future.

The Share Consolidation, the Authorised Share Capital Increase and the Change in Board Lot Size will not have any material adverse effect on the financial position of the Company nor result in change in the relative rights of the Shareholders and are in the interests of the Company and the Shareholders as a whole.

As at the date of this announcement, save for the Share Consolidation, the Authorised Share Capital Increase and the proposed Rights Issue, the Company has no intention to carry out any corporate action or arrangement, including further share consolidation, share sub-division and capital reduction, in the next 12 months, which may have an effect of undermining or negating the intended purpose of the Share Consolidation, the Authorised Share Capital Increase and the Change in Board Lot Size.

Proposed Share Consolidation and Authorised Share Capital Increase

The proposed Share Consolidation and Authorised Share Capital Increase are conditional upon the passing of an ordinary resolution by the Shareholders at the SGM.

As no Shareholders have any interest in the Share Consolidation and Authorised Share Capital Increase that is different to that of Shareholders generally, no Shareholder will be required to abstain from voting in favour of the resolution relating to the Share Consolidation and Authorised Share Capital Increase at the SGM.

The Share Consolidation and Authorised Share Capital [are not conditional on the Rights Issue] and is expected to become effective on [Monday, 10 March 2025], being the second Business Day following the expected fulfilment of the above conditions.

The Strategic Funding & Partnership Proposal and Proposed Bonus Warrants Issue

Certain approvals will be sought from the Shareholders (or, as applicable, the Independent Shareholders) at the SGM as detailed below. All of these approvals will be inter-conditional on each other.

LR14A.68(9)

LR13.28(11)

Pursuant to LR7.27A, Earnest Equity, Newco and their respective associates will be required to abstain from voting in favour of the resolution(s) relating to the Rights Issue.

LR7.27B

The Facilitation Agreement and Note Subscription Agreement

LR14A.68 (2)

At the invitation of the Controlling Shareholder, the Investor agreed to acquire material equity interests in Newco through entering into the Subscription Agreement and the Shareholders Agreement in respect of the Strategic Funding & Partnership Proposal with Digisino and Newco, both of them are connected persons of the Company. The Investor is treated as a connected person of the Company under LR14A.20, and so is the Note Subscriber which is also owned by a consortium of institutional investors led by a subsidiary of Gaw Capital (as general partner of Gateway Real Estate Fund VII (Singapore) L.P.). Given that the Facilitation Agreement and the Note Subscription Agreement are entered into in association with each other as parts of the Strategic Funding & Partnership Proposal, the transactions contemplated thereunder will be treated as connected transactions of the Company subject to Independent Shareholders' approval under Chapter 14A of the Listing Rules

Shareholders with a material interest in the transactions contemplated under the Note Subscription Agreement and the Facilitation Agreement are required to abstain from voting on the relevant resolution at the SGM.

Proposed Bonus Warrants Issue

The Bonus Warrants Issue will be issued pursuant to a specific mandate to be sought at the SGM. As no Shareholders have any interest in the Bonus Warrants Issue that is different to that of Shareholders generally, no Shareholder will be required to abstain from voting in favour of the resolution relating to the Bonus Warrants Issue at the SGM.

LR13.28(11)

Pursuant to LR15.02(1) of the Listing Rules, the Bonus Warrant Shares to be issued on exercise of the Bonus Warrants must not, when aggregated with all other equity securities remaining to be issued on exercise of any other subscription rights, if all such rights were immediately exercised, whether or not such exercise is permissible, exceed 20% of the issued share capital of the Company at the time the Bonus Warrants are issued. Options granted under share option schemes which comply with Chapter 17 of the Listing Rules are excluded for the purpose of such limit.

As at the date of this announcement, there are no securities of the Company with subscription rights outstanding and not yet exercised and the Company does not have any legal or beneficial interest in any treasury Shares.
