This Note will cease to bear interest (a) where the Conversion Right attached to it shall have been exercised by the Noteholder, from and including the Exercise Date, or (b) where this Note is redeemed, repaid or purchased and cancelled pursuant to these Conditions, from and including the due date for redemption, repayment or purchase and cancellation thereof unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, it will continue to bear interest at two (2) per cent. per annum above the rate as specified in Condition 3.2 (both before and after judgment) from and including the due date to but excluding the date on which all sums due in respect of this Note are paid by the Company to the Noteholder.
- 3.2 Interest shall accrue from day to day and shall be calculated on the basis of the actual number of days elapsed in a year of 365 days, at the rate of three (3) per cent. per annum on the principal amount of this Note from time to time outstanding.

4. Payments

- 4.1 All payments by the Company under this Note shall be paid in Hong Kong dollars to the registered Noteholder and shall be made in immediately available funds free and clear of any withholdings or deductions for any present or future taxes, imposts, levies, duties or other charges in respect of this Note. In the event that the Company is required by any applicable law to make any such deduction or withholding from any amount paid, the Company shall pay to the Noteholder such additional amount as shall be necessary so that the Noteholder continues to receive a net amount equal to the full amount which it would have received if such withholding or deduction had not been made.
- 4.2 All payments by the Company shall be made, not later than 3:00 pm on the due date, by remittance to such bank account as the Noteholder may notify the Company in writing from time to time (provided that any such notice shall be given no less than three (3) Business Days prior to the date on which any payment is due to be made by the Company) or by such other method as may be agreed between the Company and the Noteholder provided that the Company shall not be responsible for any loss of or additional interest in respect of this Note due to the Noteholder giving inaccurate or late remittance instructions.
- 4.3 If the due date for payment of any amount in respect of this Note is not a Business Day, the Noteholder shall be entitled to payment on the next following Business Day in the same manner without any accrued interest in respect of such delay.

5. Conversion

- 5.1 Subject to Conditions 5.6 and 5.7 and the receipt of the Conversion Notice by the Company, the Noteholder shall have the right to convert on any Business Day from the Issue Date and up to the Business Day immediately prior to the Maturity Date, the whole or any part of this Note (comprising the outstanding principal amount and any accrued but unpaid interest thereon) (with a minimum aggregate amount of HK\$1,000,000 and authorised denomination(s) integral multiples thereof save that if at any time the aggregate outstanding amount of this Note held by the Noteholder is less than HK\$1,000,000, the whole (but not part only) of the aggregate outstanding amount of this Note may be converted) into Shares at any time and from time to time at the Conversion Price (subject to Adjustment), so that the number of Shares which fall to be issued (subject to Condition 5.2) shall be calculated by applying the formula:

$$n = \frac{x}{y}$$

where n = number of Shares to be issued
 x = the aggregate principal amount of this Note to be converted together with any accrued but unpaid interest

$y = \frac{\text{thereon up to but excluding the Exercise Date}}{\text{the Conversion Price applicable on the Exercise Date}}$

- 5.2 No fraction of a Share shall be issued on conversion of this Note nor will any moneys be paid in respect of such fraction of a Share. Fractional entitlements shall be ignored and any sum paid in respect thereof shall be retained by the Company for its own benefit. Shares issued upon conversion pursuant to Condition 5.1 shall be credited as fully paid and non-assessable and shall rank *pari passu* in all respects with all other existing Shares outstanding at the Exercise Date and be entitled to all dividends and other distributions the record date of which falls on a date on or after the Exercise Date.
- 5.3 Notwithstanding anything herein contained to the contrary, the Noteholder agrees and undertakes to the Company that it shall not exercise any of the Conversion Rights to such an extent that results or will result in the Noteholder (or any of its parties acting in concert with it within the meaning of the Takeovers Code) being obliged to make a mandatory offer for all the Shares under the Takeovers Code unless (i) the mandatory offer obligations under the Takeovers Code have been complied with; or (ii) prior approval or waiver from the Executive, and (where so required) approval of the whitewash waiver by the Shareholders, have been obtained in accordance with the requirements of the Takeovers Code (and where any conditions to which such approval or waiver is subject are duly complied with).
- 5.4 The right of the Noteholder to the repayment of the outstanding principal amount of this Note and any accrued but unpaid interest thereon, and premium (if any), being converted shall be extinguished and released upon the Conversion Right being fully satisfied and discharged in accordance with these Conditions.
- 5.5 No Conversion Shares may be received by any person who is a Restricted Holder.
- 5.6 Notwithstanding anything herein contained, if the issue of the Conversion Shares pursuant to the exercise of the Conversion Right attaching to this Note would result in the Company failing to meet its obligation under the Listing Rules to maintain the minimum prescribed percentage of the Shares which must at all times remain in public hands (as defined in the Listing Rules) (the “**Public Float Requirement**”), then such Conversion Right shall be deemed to have been exercised pursuant to such Conversion Notice such that the Company shall issue the maximum number of Conversion Shares under such Conversion Notice without breaching the Public Float Requirement. Any limitation on a Conversion Right with respect to a Conversion Notice under this Condition 5.6 shall be without prejudice whatsoever to any later exercise of the Conversion Rights pursuant to a subsequent Conversion Notice.

6. Adjustment

- 6.1 Subject as hereinafter provided, the Conversion Price shall from time to time be adjusted in accordance with the following relevant provisions and if the event giving rise to any such adjustment shall be that which would be capable of falling within more

than one of the sub-paragraphs (a) to (i) inclusive of this Condition 6.1, it shall, unless the context otherwise requires, fall within the first of the applicable sub-paragraphs to the exclusion of the remaining sub-paragraphs:

- (a) If and whenever the Shares, by reason of any consolidation, reclassification or sub-division, become of a different nominal amount, the Conversion Price in force immediately prior thereto shall be adjusted by multiplying it by the following fraction:

$$\frac{A}{B}$$

where A = the revised nominal amount
 B = the former nominal amount

Each such adjustment shall be effective from the date on which the consolidation, reclassification or sub-division becomes effective.

- (b) If and whenever the Company shall issue (other than in lieu of a cash dividend) any Shares credited as fully paid by way of capitalisation of profits or reserves (including any share premium account or capital redemption reserve fund), the Conversion Price in force immediately prior to such issue shall be adjusted by multiplying it by the following fraction:

$$\frac{C}{D}$$

where C = the aggregate nominal amount of the issued Shares
 immediately before such issue
 D = the aggregate nominal amount of the issued Shares
 immediately after such issue

Each such adjustment shall be effective (if appropriate, retroactively) on the date of such issue of Shares.

- (c) In the case of an issue of Shares by way of a Scrip Dividend (as defined in Condition 6.2) where the aggregate market price on the date of announcement of the terms of the issue of such Shares multiplied by the number of such Shares issued exceeds the amount of the Relevant Cash Dividend (as defined in Condition 6.2) or the relevant part thereof, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the

issue of such Shares by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A is the aggregate number of Shares in issue immediately before such Scrip Dividend;
- B is the aggregate number of Shares which the Relevant Cash Dividend would purchase at such market price; and
- C is the aggregate number of Shares to be issued pursuant to such Scrip Dividend;

or by making such other adjustment as a financial advisor shall certify to the Noteholder is fair and reasonable.

Such adjustment shall become effective on the date of issue of such Shares or if the number of such Shares is fixed on announcement and if a record date is fixed therefor, immediately after such record date.

- (d) If and whenever the Company shall make any Capital Distribution (as defined in Condition 6.2) (except where, and to the extent that, the Conversion Price has been adjusted under sub-paragraph (b) above) to the Shareholders (in their capacity as such) (whether on a reduction of capital or otherwise) or shall grant to such Shareholders rights to acquire for cash assets of the Company or any of its subsidiaries, the Conversion Price in force immediately prior to such distribution or grant shall be adjusted by multiplying it by the following fraction:

$$\frac{E - F}{E}$$

where E = the Market Price (as defined in Condition 6.2) on the date on which the Capital Distribution or, as the case may be, the grant is publicly announced or (where no such announcement is required to be made under the Listing Rules) the date immediately preceding the record date of the Capital Distribution or, as the case may be, of the grant

F = the fair market value (as defined in Condition 6.2)

on the day of such announcement or (as the case may require) the date immediately preceding the record date of the Capital Distribution or, as the case may be, of the grant, as determined in good faith by a financial adviser (as defined in Condition 6.2), of the portion of the Capital Distribution or of such rights which is attributable to one Share

provided that if in the opinion of the relevant financial adviser, the use of the fair market value as aforesaid produces a result which is significantly inequitable, it may instead determine, and in such event the above formula shall be construed as if F meant the amount of the said market price which should properly be attributed to the value of the Capital Distribution or rights.

Each such adjustment shall be effective (if appropriate, retroactively) on the date that such Capital Distribution is made or if a record date is fixed therefor, immediately after such record date.

- (e) If and whenever the Company shall, after the date hereof, offer to the Shareholder new Shares for subscription by way of rights, or shall grant to the Shareholders by way of rights any options (other than pursuant to a share option scheme of the Company), warrants or other rights to subscribe for or purchase any Shares at a price which is less than the Market Price at the date of the announcement of the terms of such offer or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the date of the announcement of such offer or grant by the following fraction:

$$\frac{G + \frac{H \times I}{J}}{G + H}$$

where G = the number of Shares in issue immediately before the date of such announcement

 H = the maximum aggregate number of Shares so offered for subscription or comprised in the options or warrants or other rights to subscribe for new Shares

 I = the amount (if any) payable for the rights, options or warrants or other rights to subscribe for each

new Share, plus the subscription price payable for each new Share

J = the Market Price at the date of such announcement

Such adjustment shall become effective (if appropriate, retroactively) on the date of issue of such securities.

- (f) If and whenever the Company shall issue securities (other than Shares or options, warrants or other rights to subscribe for, purchase or otherwise acquire Shares) to all or substantially all Shareholders as a class by way of rights, or shall issue or grant to all or substantially all Shareholders as a class by way of rights, options, warrants or other rights to subscribe for, purchase or otherwise acquire any securities (other than Shares or options, warrants or other rights to subscribe for, purchase or otherwise acquire Shares), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before such issue or grant by the following fraction:

$$\frac{A - B}{A}$$

where:

- A is the Market Price of one Share on the date on which such issue or grant is publicly announced; and
B is the fair market value on the date of such announcement of the portion of the rights attributable to one Share as determined in good faith by a financial adviser (as defined in Condition 6.2).

Such adjustment shall become effective on the date of issue of the securities, or issue or grant of such rights, options or warrants (as the case may be) or where a record date is set, the first date on which the Shares are traded ex-rights, ex-options or ex-warrants as the case may be on the Stock Exchange.

- (g) If and whenever the Company shall issue (otherwise than as mentioned in Condition 6.1 (e)) wholly for cash any Shares (other than Shares issued on the exercise of Conversion Rights or on the exercise of any other rights of conversion into, or exchange or subscription for, or purchase of Shares) or issue or grant (otherwise than as mentioned in Condition 6.1(e)) wholly for cash any options, warrants or other rights to subscribe for, purchase or otherwise acquire any Shares (other than this Note), in each case at a price per Share which is less than 90% of the Market Price on the date of the first public announcement of the terms of such issue or grant, the Conversion Price shall be adjusted by multiplying the

Conversion Price in force immediately before such issue by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A is the aggregate number of Shares in issue immediately before the issue of such additional Shares or the issue or grant of such options, warrants or other rights to subscribe for, purchase or otherwise acquire any Shares;
- B is the number of Shares which the aggregate consideration (if any) receivable for the issue of such additional Shares or, as the case may be, for the Shares to be issued or otherwise made available upon the exercise of any such options, warrants or rights, would purchase at such Market Price per Share; and
- C is the number of Shares to be issued pursuant to such issue of such Shares or, as the case may be, the maximum number of Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights.

Such adjustment shall become effective on the date of issue of such additional Shares or, as the case may be, the grant of such options, warrants or other rights.

- (h) (i) If and whenever the Company shall issue wholly for cash any securities which by their terms are (directly or indirectly) convertible into or exchangeable for or carry rights of subscription for new Shares (other than this Note), and the Total Effective Consideration per Share (as defined below in this sub-paragraph (h)) initially receivable for such securities is less than 90% of the Market Price per Share at the date of the announcement of the terms of issue of such securities, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the issue by a fraction of which the numerator is the number of Shares in issue immediately before the date of the issue plus the number of Shares which the Total Effective Consideration receivable for the securities issued would purchase at such Market Price per Share and the denominator is the number of Shares in issue immediately before the date of the issue plus the number of Shares to be issued upon conversion or exchange of, or the exercise of the subscription rights conferred by, such securities, at the initial conversion or exchange rate or

subscription price. Such adjustment shall become effective (if appropriate, retrospectively) on the date of issue of such securities.

- (ii) If and whenever the rights of conversion or exchange or subscription attached to the 2025 CTF Convertible Note or any such securities as are mentioned in section (i) of this sub-paragraph (h) are modified so that the Total Effective Consideration (as defined below in this sub-paragraph (h)) per Share is less than 90% of the Market Price per Share at the date of announcement of the proposal to modify such rights of conversion or exchange or subscription, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such modification by a fraction of which the numerator is the number of Shares in issue immediately before the date of such modification plus the number of Shares which the Total Effective Consideration receivable for the securities issued at the modified conversion or exchange price would purchase at such Market Price per Share and of which the denominator is the number of Shares in issue immediately before such date of modification plus the number of Shares to be issued upon conversion of or the exercise of the subscription rights conferred by such securities at the modified conversion or exchange rate or subscription price. Such adjustment shall take effect as at the date upon which such modification takes effect. A right of conversion or exchange or subscription shall not be treated as modified for the foregoing purposes where it is adjusted in accordance with the terms of such securities.

For the purposes of this sub-paragraph (h), the “Total Effective Consideration” receivable for the securities issued shall be deemed to be the consideration receivable by the Company for any such securities plus the additional minimum consideration (if any) to be received by the Company upon (and assuming) the conversion or exchange thereof or the exercise of such subscription rights, and the Total Effective Consideration per Share initially receivable for such securities shall be such aggregate consideration divided by the number of Shares to be issued upon (and assuming) such conversion or exchange at the initial conversion or exchange rate or the exercise of such subscription rights at the initial subscription price, in each case without any deduction for any commissions, discounts or expenses paid, allowed or incurred in connection with the issue.

- (i) If and whenever the Company or any of its subsidiaries or (at the direction or request of or pursuant to any arrangements with the Company or any of its subsidiaries) any other company, person or entity shall offer any securities in connection with which Shareholders as a class are entitled to participate in arrangements whereby such securities may be acquired by them (except where the

Conversion Price falls to be adjusted under Conditions 6.1(b) to 6.1(h)(i) or would fall to be so adjusted if the relevant issue or grant was at 90% less than the Market Price per Share on the relevant Trading Day), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the making of such offer by the following fraction:

$$\frac{A - B}{A}$$

where:

- A is the Market Price of one Share on the date on which the terms of such offer are first publicly announced; and
- B is the fair market value on the date of such announcement (less any consideration payable for the same by the Shareholders) of the portion of the relevant offer attributable to one Share as determined in good faith by a financial adviser (as defined in Condition 6.2) on the date of such announcement.

Such adjustment shall become effective on the first date on which the Shares are traded ex-rights on the Stock Exchange.

6.2 For the purposes of this Condition 6.1:

“announcement” means the release of an announcement to the public through the Company's website and/or the Stock Exchange's website and **“date of announcement”** means the date on which the announcement is first so released;

“Capital Distribution” shall mean distributions in cash or specie (whenever paid or made and however described) (and for these purposes a distribution of assets in specie includes without limitation an issue of shares or other securities credited as fully or partly paid (other than Shares credited as fully paid to the extent an adjustment to the Conversion Price is made in respect thereof under Condition 6.1(b)) by way of capitalisation of reserves and including any Scrip Dividend to the extent of the Relevant Cash Dividend). Any dividend charged or provided for in the accounts for any financial period shall (whenever paid and however described) be deemed to be a Capital Distribution, unless (and only to the extent that) in the case of a cash dividend paid out of the aggregate of the net profits (less losses) attributable to the Shareholders does not, when taken together with any other cash dividend previously made or paid in respect of the same fiscal year, exceed 3% of the Market Capitalisation of the Company on the date of announcement of such dividend. For such purposes, **“Market Capitalisation”** means the product of (i) the closing price per Share and (ii) the issued share capital of the Company on such date;

“financial adviser” means an independent financial adviser registered under the

Securities and Futures Ordinance in Hong Kong selected by the Company and approved by the Noteholder (which approval shall not be unreasonably withheld or delayed) for the purpose of providing a specific opinion or calculation or determination under these Conditions;

“fair market value” means, with respect to any asset, security, option, warrant or other right on any date, the fair market value of that asset, security, option, warrant or other right as determined by a financial adviser, provided that (i) the fair market value of a cash dividend paid or to be paid per Share shall be the amount of such cash dividend per Share determined as at the date of announcement of such dividend; (ii) where options, warrants or other rights are publicly traded in a market of adequate liquidity (as determined by such financial adviser) the fair market value of such options, warrants or other rights shall equal the arithmetic mean of the daily closing prices of such options, warrants or other rights during the period of five trading days on the relevant market commencing on the first such trading day such options, warrants or other rights are publicly traded;

“issue” shall include allot;

“Market Price” means the average of the closing prices per Share for each of the last five (5) trading days ending on such trading day last preceding the day on or as of which the Market Price is to be ascertained provided that on any such trading day where such closing price per Share is not available or cannot otherwise be determined in accordance with these Conditions, the Market Price of a Share in respect of such trading day shall be the closing price per Share, determined as provided above, on the immediately preceding trading day on which the same can be so determined;

“Relevant Cash Dividend” means the aggregate cash dividend or distribution declared by the Company including any cash dividend in respect of which there is any Scrip Dividend.

“reserves” includes unappropriated profits;

“rights” includes rights in whatsoever form issued; and

“Scrip Dividend” means any Shares issued in lieu of the whole or any part of any Relevant Cash Dividend being a dividend which the Shareholders concerned would or could otherwise have received (and for the avoidance of doubt to the extent that an adjustment is made under Condition 6.1(d) in respect of the Relevant Cash Dividend, an adjustment may also be made for the amount by which the market price of the Shares exceeds the Relevant Cash Dividend or part thereof) under Condition 6.1(c)).

- 6.3 Without prejudice to Condition 6.1, if the Company shall at any time or from time to time prior to conversion of this Note issue or sell any Shares or any options, warrants or other securities that are directly or indirectly convertible into, or exercisable or exchangeable for, such Shares (**“Equity Securities”**) at a price per Share (**“New Issue**

Price”) that is less than the Conversion Price, then in effect as of the record date or issue date of such Equity Securities, as the case may be (treating the price per Share, in the case of the issuance of any Equity Securities, as equal to (x) the sum of the price for such Equity Securities plus any additional consideration payable (without regard to any anti-dilution adjustments) upon the conversion, exchange or exercise of such Equity Securities divided by (y) the number of Shares initially underlying such Equity Securities, other than issuance of any Shares upon conversion of this Note), the Conversion Price then in effect before the date of announcement of such issue or sale shall be adjusted in accordance with the following formula:

$$NCP = OCP - \left(\frac{A}{B} \times C \right)$$

where:

- NCP means the new Conversion Price.
- OCP means the Conversion Price in effect before the date of announcement of such issue or sale
- A is the maximum aggregate number of Shares so issued or sold or comprised in the option, warrants or other securities that are directly or indirectly convertible into, or exercisable or exchangeable for, such Shares
- B is the number of Shares in issue immediately before such issue or sale
- C means the difference between the OCP and the New Issue Price (provided that such difference shall not be less than zero)

Such adjustment shall be made whenever such Equity Securities are issued, and shall become effective retroactively (x) in the case of an issuance to Shareholders, as such, to a date immediately following the close of business on the record date for the determination of Shareholders entitled to receive such Equity Securities and (y) in all other cases, on the date of such issuance; provided, however, that the determination as to whether an adjustment is required to be made pursuant to this Condition 6.3 shall be made upon the issuance of Equity Securities, and not upon the issuance of any security into which the Equity Securities convert, exchange or may be exercised.

If at any time any Equity Securities or any rights or options to purchase any Equity Securities shall be issued or sold for cash, the consideration received therefor shall be deemed to be the amount received by the Company therefor, without deduction therefrom of any expenses incurred or any underwriting commissions or concessions or discounts paid or allowed by the Company in connection therewith. If Equity Securities or any rights or options to purchase any Equity Securities shall be issued or sold for a consideration other than cash, the amount of the consideration other than cash received by the Company shall be deemed to be the fair market value of such

consideration, without deduction therefrom of any expenses incurred or any underwriting commissions or concessions or discounts paid or allowed by the Company in connection therewith.

The Company undertakes that it will not issue any Equity Securities if and to the extent that such issuance or sale will result in the Company being unable to comply with the adjustment provisions of Condition 6.1 or 6.3 or in breach of the Listing Rules or applicable laws and regulations, and for the avoidance of doubt, a breach of this paragraph shall entitle the Noteholder to remedies expressly set out in the Conditions only.

6.4 The provisions of sub-paragraphs (b), (c), (d), (e), (f), (g), (h) and (i) of Condition 6.1 and Condition 6.3 shall not apply to:-

- (a) an issue of fully paid Shares upon the exercise of any conversion rights attached to securities convertible into Shares (including any conversion of any part of this Note) or upon exercise of any rights to acquire Shares provided that an Adjustment (if required) has been made under this Condition 6 in respect of the issue of such securities or granting of such rights (as the case may be);
- (b) an issue of Shares or other securities of the Company or any subsidiary of the Company wholly or partly convertible into, or rights to acquire, Shares to eligible persons prescribed under any share option scheme of the Company; or
- (c) an issue of Shares on conversion of part or the whole of the Outstanding Obligations in accordance with the terms of the relevant Outstanding Obligation.

6.5 Any Adjustment to the Conversion Price shall be made to the nearest one cent so that any amount under half a cent shall be rounded down and any amount of half of a cent or more shall be rounded up.

6.6 Notwithstanding anything contained herein, no Adjustment shall be made to the Conversion Price in any case:-

- (a) in which the amount by which the same would be reduced in accordance with the foregoing provisions of this Condition would be less than one cent and any Adjustment that would otherwise be required to be made shall not be carried forward; and/or
- (b) if, as a result of such Adjustment, the Conversion Price shall fall below the then nominal value of each Share unless Condition 8.4 has been complied with.

6.7 Whenever the Conversion Price is adjusted as herein provided, the Company shall as soon as reasonably practicable give notice of the same to the Noteholder (setting forth

the event giving rise to the Adjustment, the Conversion Price in effect prior to such Adjustment, the adjusted Conversion Price and the effective date thereof).

- 6.8 Any Adjustment shall not involve an increase in the Conversion Price (except upon any consolidation of the Shares pursuant to Condition 6.1(a)).
- 6.9 Every Adjustment shall be certified in writing by a financial adviser (as defined in Condition 6.2).
- 6.10 For so long as this Note remains outstanding, the Company shall make available for inspection at its principal place of business in Hong Kong at all times after the effective date of the Adjustment a signed copy of the certificate of a financial adviser setting forth brief particulars of the event giving rise to the Adjustment, the Conversion Price in effect prior to the Adjustment, the adjusted Conversion Price and the effective date thereof and shall, on request, send a copy thereof to the Noteholder.
- 6.11 If the Company shall in any way modify the rights attached to any share or loan capital so as to convert wholly or partly or make convertible such share or loan capital into, or attach thereto any rights to acquire, Shares, the Company shall consider whether any Adjustment is appropriate and if it is decided that any such Adjustment is appropriate, the Conversion Price shall be adjusted accordingly and the provisions of Conditions 6.4, 6.5, 6.6, 6.7, 6.8, 6.9 and 6.10 shall apply.
- 6.12 Notwithstanding the provisions of Condition 6.1, in any circumstances where the directors of the Company or the Noteholder shall consider that an adjustment to the Conversion Price provided for under the said provisions should not be made or should be calculated on a different basis or that an adjustment to the Conversion Price should be made notwithstanding that no such adjustment is required under the said Condition or that an adjustment should take effect on a different date or with a different time from that provided for under the provisions, the Company or the Noteholder may consider whether for any reason whatsoever the adjustment to be made (or the absence of adjustment) would or might not fairly and appropriately reflect the relative interests of the persons affected thereby and, if the Company or the Noteholder shall consider this to be the case, the Company or the Noteholder (as the case may be) shall inform the other party as soon as possible and failing agreement between the Company and the Noteholder on the aforesaid, they shall jointly engage a financial adviser (costs to be shared equally between the Company and the Noteholder) to certify in its opinion as to whether the adjustment shall be modified or nullified or an adjustment should be made instead of no adjustment being made in such manner (including without limitation, making an adjustment calculated on a different basis) and/or the adjustment shall take effect from such other date and/or time as shall be certified by the financial adviser to be appropriate and the Noteholder and the Company jointly agree to apply such determination by the financial adviser for the purpose of calculating the Conversion Price as adjusted and/or making and/or modifying and/or nullifying and/or confirming any adjustment.

7. Procedure for Conversion and Share Issue

- 7.1 The Conversion Rights may, subject as provided herein, be exercised on any Business Day from the Issue Date and up to the Business Day immediately prior to the Maturity Date, by the Noteholder delivering the Conversion Notice (at its own expense during normal business hours) to the Company in accordance with Condition 14 stating the intention of the Noteholder to convert this Note into Shares. The Conversion Notice shall be in the form set out under Appendix A annexed to the Conditions.
- 7.2 The Noteholder shall pay all taxes and stamp duty, issue and registration duties (if any) and levies and charges (if any) (“**Duties**”) arising on any conversion of this Note including taxes imposed in respect of net income by a taxing jurisdiction wherein it is incorporated or resident for tax purposes (other than any Duties payable in Bermuda and/or Hong Kong by the Company in respect of the allotment and issue of Shares and listing of the Conversion Shares on the Stock Exchange). The Company will pay all other expenses arising on the issue of Shares on conversion of this Note and all charges of the share transfer agent for the Shares.
- 7.3 (a) The Conversion Shares shall be allotted and issued by the Company, credited as fully paid and non-assessable on its Hong Kong branch share register, to the Noteholder or as it may direct in writing, within seventeen (17) Business Days after, and with effect from, the later of the Exercise Date or the date on which the original certificate for this Note is delivered to and received by the Company for cancellation.
- (b) The Company will, if the Noteholder has also requested in the Conversion Notice and to the extent permitted under the rules and procedures of CCASS effective from time to time, take all necessary action to procure that Conversion Shares are delivered through CCASS and credited to the relevant securities account of the Noteholder for so long as the Shares are listed on the Stock Exchange; or will make the certificate(s) (either in a single or multiple instruments) for the Conversion Shares to which the Noteholder shall become entitled in consequence of any conversion shall be issued and made available for collection at the Company's address specified in Condition 14, in each case within the seventeen (17) Business Day period provided for in sub-paragraph (a) above.
- (c) On any partial conversion of this Note, the Noteholder will attend during normal business hours at the principal place of business of the Company in Hong Kong specified in Condition 14 with the certificate representing this Note and shall join in endorsing the certificate representing this Note with the amount of the relevant outstanding amount of this Note so converted.

8. Protection of the Noteholder

8.1 So long as this Note is outstanding, unless with prior written approval of the Noteholder, which approval shall not be unreasonably withheld or delayed:-

- (a) the Company shall from time to time keep available for issue, free from preemptive rights, out of its authorised but unissued capital sufficient Shares to satisfy in full the Conversion Rights at the Conversion Price and all other rights for the time being outstanding of subscription for and conversion into Shares;
- (b) other than as a result of, or in circumstances where, an offer made to holders of Shares to acquire all or any proportion of the Shares becoming unconditional, the Company shall use its reasonable endeavours to:-
 - (i) maintain a listing for all the issued Shares on the Stock Exchange or on such other internationally recognised stock exchange (an “**alternative stock exchange**”) as the Company may from time to time determine; and
 - (ii) obtain and maintain a listing on the Stock Exchange (or an alternative stock exchange) for all the Conversion Shares issued on the exercise of the Conversion Rights;
- (c) the Company shall ensure that all Conversion Shares shall be duly and validly issued fully paid and registered;
- (d) as soon as possible and in any event not later than seven (7) Business Days after the announcement of the full terms of any event which would give rise to an Adjustment pursuant to Condition 6 (or, if later, as soon as the relevant Adjustment thereunder can reasonably be determined), give notice to the Noteholder advising it of the date on which the relevant Adjustment is likely to become effective and of the effect of exercising the Conversion Rights pending such date;
- (e) the Company shall comply with and procure the compliance of all conditions imposed by the Stock Exchange or by any other competent authority (in Hong Kong or elsewhere) for approval of the issue of this Note or for the listing of and permission to deal in the Conversion Shares issued or to be issued on the exercise of the Conversion Rights and the continued compliance thereof (provided in each case that the Noteholder complies with and satisfies all such conditions to the extent the same are applicable to the Noteholder);
- (f) the Company shall not in any way modify the rights attached to the Shares as a class or attach any special restrictions thereto;
- (g) the Company shall procure that at no time shall there be in issue Shares of differing nominal values;

- (h) the Company shall not issue or pay up any securities by way of capitalisation of profits or reserves other than (i) by the issue of fully paid Shares to the Shareholders; or (ii) as mentioned in Condition 6.1(b); or (iii) by the issue of Shares in lieu of a cash dividend in the manner referred to in Condition 6.1(c);
- (i) the Company shall not, without first having given prior written notice to the Noteholder of its intention to do so, create or permit to be in issue any share capital other than Shares, provided that nothing in this Condition 8.1(i) shall prevent (i) any consolidation, reclassification or sub-division of the Shares; or (ii) the issue of share capital which does not participate in dividend or in respect of a certain financial period but is *pari passu* in all other respects with the Shares which in each case has been appropriately adjusted in accordance with these Conditions;
- (j) the Company shall procure that (i) no securities issued by the Company shall be converted into Shares or exchanged for Shares except in accordance with the terms of issue thereof, and (ii) no securities issued by the Company without rights to convert into Shares or to be exchanged for Shares shall subsequently be granted such rights;
- (k) the Company shall not, subject as hereinafter provided, make any reduction or redemption of share capital, share premium account or capital redemption reserve involving the repayment of money to the Shareholders (other than to the Shareholders having the right on a winding-up to a return of capital in priority to the holders of Shares) or reduce any uncalled liability in respect thereof unless, in any such case, the same gives rise (or would, but for the provisions of Condition 6.4 or 6.5 give rise) to an Adjustment of the Conversion Price in accordance with Condition 6; and
- (l) the Company shall not enter into any deed, agreement, assignment, instrument or documents whatsoever which may result in any breach of any of the Conditions.

If any of the provisions or restrictions in this Condition 8.1 is or becomes invalid, unenforceable or illegal in any respect under the laws of any relevant jurisdiction, the relevant part of this Condition shall be severed from the other parts of the Conditions, and neither the validity, enforceability or legality of such other provisions under the laws of that jurisdiction, nor the validity, enforceability or legality of all such provisions under the laws of other jurisdictions shall in any way be thereby affected or impaired.

- 8.2 In the event of the consolidation or amalgamation of the Company with, or merger of the Company into, any other corporation (other than a consolidation, amalgamation or merger in which the Company is the continuing corporation), or in the case of any sale or transfer of all or substantially all of the assets of the Company, the Company shall

forthwith give notice of such event to the Noteholder.

- 8.3 If an offer is made to all holders of Shares (or such holders other than the offeror and/or any company controlled by the offeror and/or persons associated or acting in concert with the offeror) to acquire all or a portion of the Shares and such offer comes to the knowledge of the Company, the Company shall forthwith give notice of such offer to the Noteholder and shall use all its reasonable endeavours to procure that a similar offer is extended in respect of this Note or in respect of any Conversion Shares during the period of the offer.
- 8.4 The Company shall not do any act or engage in any transaction the result of which, having regard to the provisions of Condition 6, would be to reduce the Conversion Price to below the nominal amount of a Share unless:-
- (a) the bye-laws of the Company shall be in such form, or shall have been altered or added to in such manner, as may be necessary or appropriate to enable the following provisions of this Condition 8.4 to be implemented; and
 - (b) implementation of such provisions is not prohibited by and is in compliance with the laws of the place of incorporation of the Company.
- 8.5 The Company shall not close its register of shareholders for more than ten (10) Business Days each year (in addition to any period required by law or regulation including the Listing Rules) or take any other action which prevents the transfer of its Shares generally unless, under the laws of Hong Kong and Bermuda and the bye-laws of the Company as then in effect, this Note may be converted legally into Shares and the Shares so converted may be transferred at all times during the period of such closure. The Company shall not take any action which prevents the conversion of this Note or delivery of Shares in respect thereof.
- 8.6 Claims in respect of amounts due in respect of this Note shall be prescribed and become void unless made within six years from the appropriate Relevant Date.

If any of the following events (“**Event(s) of Default**”) occurs, the Noteholder may give notice in writing that this Note is immediately due and payable at its principal amount then outstanding together with any accrued and unpaid interest calculated up to and excluding the date of payment (the giving of which notice is the sole remedy of the Noteholder):-

- (a) the listing of the Shares (as a class) on the main board of the Stock Exchange:

- (b) there is a Change of Control;
- (c) the Company fails to pay in accordance with the terms of this Note, any sums hereunder when due unless non-payment of such sums is due solely to administrative or technical error and such failure is not remedied for seven (7) Business Days after the Noteholder has given notice thereof to the Company;

- (f) the Company or any of its Material Subsidiaries is unable to pay its debts as they fall due; stops payment to creditors generally or ceases or threatens to cease to carry on its business or any substantial part thereof; proposes or enters into any composition, arrangement with or any assignment for the benefit of its creditors generally;

- (k) (A) any other present or future indebtedness of the Company or any of its Material Subsidiaries for or in respect of moneys borrowed or raised becomes (or becomes capable of being declared) due and payable prior to its stated maturity by reason of any actual default or event of default or the like (howsoever described), or (B) any such indebtedness is not paid when due or, as the case may be, within any applicable grace period, or (C) the Company or any of its Material Subsidiaries fails to pay when due any amount payable by it under any present or future guarantee for, or indemnity in respect of, any moneys borrowed or raised, provided that the aggregate amount of the relevant indebtedness, guarantees and indemnities in respect of which one or more of the events under (A) to (C) mentioned above in this Condition have occurred equals or exceeds HK\$50,000,000 or its equivalent (as reasonably determined on the basis of the middle spot rate for the relevant currency against the HK dollar as quoted by any leading bank on the day on which such indebtedness becomes due and payable or is not paid or any such amount becomes due and payable or is not paid under any such guarantee or indemnity); or

provided that notwithstanding the foregoing, if the Company shall fail to issue the Conversion Shares in accordance with the Conditions, the Noteholder shall be entitled

to bring an action against the Company for specific performance.
