OF UNAUDITED PRO FORMA FINANCIAL INFORMATION****To the Directors of Future Machine Limited (formerly known as "Sprocomm Intelligence Limited")**

We have completed our assurance engagement to report on the compilation of unaudited pro forma financial information of Future Machine Limited (formerly known as "Sprocomm Intelligence Limited") (the "Company") and its subsidiaries (hereinafter collectively referred to as the "Group") by the directors of the Company (the "Directors") for illustrative purposes only. The unaudited pro forma financial information consists of the unaudited pro forma statement of adjusted consolidated net tangible assets as at 31 December 2024 and related notes as set out in Part A of Appendix II to the prospectus issued by the Company dated 12 September 2025 (the "Prospectus"). The applicable criteria on the basis of which the Directors have compiled the unaudited pro forma financial information are described in Part A of Appendix II to the Prospectus.

The unaudited pro forma financial information has been compiled by the Directors to illustrate the impact of the proposed rights issue on the basis of one rights share for every two existing shares held on the record date at the subscription price of HK\$0.28 per rights share (the "Rights Issue") on the Group's financial position as at 31 December 2024 as if the Rights Issue had taken place at 31 December 2024. As part of this process, information about the Group's financial position has been extracted by the Directors from the Group's audited consolidated financial statements for the year ended 31 December 2024, on which an auditor's report has been published.

The Board of Directors  
Future Machine Limited ("formerly known as "Sprocomm Intelligence Limited")

The purpose of unaudited pro forma financial information included in an investment circular is solely to illustrate the impact of a significant event or transaction on unadjusted financial information of the Group as if the event had occurred or the transaction had been undertaken at an earlier date selected for purposes of the illustration. Accordingly, we do not provide any assurance that the actual outcome of the event or transaction at 31 December 2024 would have been as presented.

A reasonable assurance engagement to report on whether the unaudited pro forma financial information has been properly compiled on the basis of the applicable criteria involves performing procedures to assess whether the applicable criteria used by the Directors in the compilation of the unaudited pro forma financial information provide a reasonable basis for presenting the significant effects directly attributable to the event or transaction, and to obtain sufficient appropriate evidence about whether:

- the related pro forma adjustments give appropriate effect to those criteria; and
- the unaudited pro forma financial information reflects the proper application of those adjustments to the unadjusted financial information.

The procedures selected depend on the reporting accountants' judgment, having regard to the reporting accountants' understanding of the nature of the Group, the event or transaction in respect of which the unaudited pro forma financial information has been compiled, and other relevant engagement circumstances.

The engagement also involves evaluating the overall presentation of the unaudited pro forma financial information.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.
