About MyHealthChecked (www.myhealthcheckedplc.com)

MyHealthChecked, based in Cardiff, is an AIM-quoted pioneering UK healthcare company focused on a range of at-home healthcare and wellness tests.

MyHealthChecked is the umbrella brand of a range of at-home DNA and RNA tests that have been developed following the acquisition of The Genome Store in November 2020. The tests are available online, and in some cases, for over-the-counter purchase.

The MyHealthChecked portfolio has been identified as part of a change in mindset as customers become more familiar with the concept of accessible healthcare in the growing at home testing kit market with a focus on accessibility at the right price, led by UK-based experts.
