Notes to Editors:

Anexo is a specialist integrated credit hire and legal services provider. The Group has created a unique business model by combining a direct capture Credit Hire business with a wholly owned Legal Services firm. The integrated business targets the impecunious not at fault motorist, referring to those who do not have the financial means or access to a replacement vehicle.

Through its dedicated Credit Hire sales team and network of over 1,100 active introducers around the UK, Anexo provides customers with an end-to-end service including the provision of Credit Hire vehicles, assistance with repair and recovery, and claims management services. The Group's Legal Services division, Bond Turner, provides the legal support to maximise the recovery of costs through settlement or court action as well as the processing of any associated personal injury claim. Bond Turner is also involved in litigation relating to Housing Disrepair and emissions claims against major motor manufacturers.
