

15 February 2023

Tower Resources plc
("Tower" or the "Company")
Issue of Warrants to Directors

Tower Resources plc (the "Company" or "Tower" (TRP.L, TRP LN)), the AIM listed oil and gas company with its focus on Africa, announces the following issue of warrants to Directors and a consultant to the Company in lieu of fees.

Warrants are being issued in lieu of £30,000 (in aggregate) of Directors fees to Paula Brancato and Mark Enfield (Non-Executive Directors), and Jeremy Asher (as Chairman) in settlement of fees due for the period from 1 January 2023 to 31 March 2023, to conserve the Company's working capital. The issue of warrants in lieu of fees usually takes place at the beginning of each calendar quarter, but at the end of December 2022 the usual issue was deferred due to a MAR restricted period..

The warrants are exercisable at a strike price of 0.175 pence ("Warrants"), which is a premium of 8% to the mid-point closing share price on 14 February 2023. The Warrants are exercisable for a period of 5 years from the date of issue and those being issued are detailed below:

Director	Number of Warrants being issued	Total number of Warrants held including this issue*	Shareholding upon exercise of total number of Warrants held	% of issued share capital upon exercise of Warrants
Jeremy Asher	11,645,963	228,250,056	739,853,664	17.5%
Paula Brancato	5,822,981	37,217,237	37,217,237	0.9%
Mark Enfield	5,822,981	39,061,085	40,938,631	1.0%

**Warrants are held at different prices.*

As previously announced, the Directors will consider issuing further warrants in lieu of fees for each calendar quarter based on the closing price of the shares and the warrant valuation on the last day of the previous quarter and will make an election and announce the issue of warrants (if so elected) at the earliest opportunity in each calendar quarter. This election will be made by the Board with each Director taking into consideration the working capital position of the Company.

The Company also announces the issue of 5,822,981 warrants, on the same terms as the Warrants issued to Directors, to Mr Duncan Rushworth, a consultant to the Company, in lieu of fees for his work for the Company during the period from 1 January 2023 to 31 March 2023.

Warrants in issue

Following the above issue of Warrants, and the retirement of 435,187,412 warrants which have expired since 30 September 2022, the total number of Warrants in issue is 498,052,591 equating to 10.8% of the Company's enlarged share capital assuming full exercise of all warrants and share options.

About Tower Resources

Tower Resources plc is an AIM listed energy company building a balanced portfolio of energy opportunities in Africa across the exploration and production cycle in oil and gas and beyond. The Company's current focus is on advancing its operations in Cameroon to deliver cash flow through short-cycle development and rapid production with long term upside, and de-risking attractive exploration licenses through acquiring 3D seismic data in the emerging oil and gas provinces of Namibia and South Africa, where world-class discoveries have recently been made.

Tower's strategy is centred around stable jurisdictions that the Company knows well and that offer excellent fiscal terms. Through its Directors, staff and strategic relationship with EPI Group, Tower has access to decades of expertise and experience in Cameroon and Namibia, and its joint venture with New Age builds on years of experience in South Africa.
