Card and Google pay payment goes live for HeroesNFTclub

Mobile Streams plc, the AIM quoted mobile content and data intelligence company, is delighted to announce it has launched the ability for people to buy its HeroesNFTclub products via card and Google pay in Beta. This major update to the way people can pay for products will significantly increase the ease of purchase and simplify the user journey. From now on customers can pay via card, Google pay, invoicing or the Matic crypto currency.

Also to go with the updated payment process there has been a significant update to the www.heroesnftclub.com website. Over the next weeks and months there will be constant updates and improvements to the website, payment process and the range of options that are available as the Company seeks to provide the best user experience and the easiest routes to purchase.

Mark Epstein, CEO Mobile Streams plc, said:

"We are delighted to launch card and Google pay options for our ranger of HeroesNFTclub products. This marks a significant milestone for the business as we continue to go from strength to strength. The whole team deserve enormous credit for their work in getting us to this point."
