

Deltic Energy Plc / Index: AIM / Epic: DELT / Sector: Natural Resources

8 March 2023

**Deltic Energy Plc ("Deltic" or "the Company")**

**Corporate Presentation and Investor Presentation**

Deltic Energy Plc, the AIM-quoted natural resources investing company with a high impact exploration and appraisal portfolio focused on the Southern and Central North Sea, is pleased to announce that it has released a new corporate presentation. This presentation reflects recent developments, with particular focus on the significant gas and oil discovery at Pensacola on Licence P2252 in the Southern North Sea. The corporate presentation is available on the homepage at the Company's website: [www.delticenergy.com](http://www.delticenergy.com).

A webcast for retail investors will be held on Thursday, 16 March 2023 at 10.00 a.m. The presentation will be hosted on the Investor Meet Company platform. Questions can be submitted pre-event via your Investor Meet Company dashboard up until 9.00 a.m. on Wednesday 15 March or at any time during the live presentation. A recording will be made available on the Investor Meet Company platform after the presentation. Investors can sign-up for free and add to meet Deltic via:

**About Deltic Energy Plc**

Deltic has created a strategically located portfolio of high-quality gas exploration licences in the Southern North Sea over a number of licensing rounds. These licences are located in areas that have been underexplored despite significant discoveries such as Tolmount, Breagh, Pegasus and Cygnus, most of which have gone on to be developed and could provide ready access to export infrastructure for any future developments on Deltic's licence acreage.
