**VENTURE LIFE GROUP PLC**  
("Venture Life", "VLG" or the "Company")

**Notice of Capital Markets Event**

Venture Life Group plc (AIM: VLG), a leader in developing, manufacturing and commercialising products for the international self-care market, announces that it will host a capital markets event for analysts and investors on 6 June 2023.

The event will be held at the offices of Simmons & Simmons LLP, 1 Ropemaker Street, London EC26 9SS, and senior executives and operational management will be presenting on the following:

- The Venture Life key brands, being Balance Activ, Lift and Earol;
- UK and international distribution, and how products are sold via each channel;
- The Company's development and manufacturing capabilities;
- Managing supply chains in the current environment; and
- The Customer Brands that the Company manufactures.

The event will start at 14:00 GMT and is expected to finish at 17:00 GMT.

If you wish to attend the event in person, please RSVP to [cenkosir@cenkos.com](mailto:cenkosir@cenkos.com) or [investor.relations@singercm.com](mailto:investor.relations@singercm.com).

The Company invites retail investors to attend in person; however, there will be a limit to the number that can attend, and places will be given on a first come first serve basis.

**About Venture Life ([www.venture-life.com](http://www.venture-life.com))**

Venture Life is an international consumer self-care company focused on developing, manufacturing and commercialising products for the global self-care market. With operations in the UK, Italy, The Netherlands and Sweden, the Group's product portfolio includes some key products such as the UltraDEX and Dentyt oral care product ranges, the Balance Activ range in the area of women's intimate healthcare, the Lift and Glucogel product ranges for hypoglycaemia, Gelclair and Pomi-T for oncology support, products for fungal infections and proctology, and dermo-cosmetics for addressing the signs of ageing. Its products are sold in over 90 countries worldwide.

The products, which are typically recommended by pharmacists or healthcare practitioners, are available primarily through pharmacies and grocery multiples. In the UK and The Netherlands these are supplied direct by the company to retailers, elsewhere they are supplied by the Group's international distribution partners.

Through its two Development & Manufacturing operations in Italy and Sweden, the Group also provides development and manufacturing services to companies in the medical devices and cosmetic sectors.
