About Halma

Halma is a global group of life-saving technology companies, focused on growing a safer, cleaner, healthier future for everyone, every day. Its purpose defines the three broad markets it operates in:

- Safety - Protecting people's safety and the environment as populations grow, and enhancing worker safety.
- Environment - Addressing the impacts of climate change, pollution and waste, protecting life-critical resources and supporting scientific research.
- Health - Meeting the increasing demand for better healthcare as chronic illness rises, driven by growing and ageing populations and lifestyle changes.

It employs over 7,500 people in more than 20 countries, with major operations in the UK, Mainland Europe, the USA and Asia Pacific. Halma is listed on the London Stock Exchange (LON: HLMA) and is a constituent of the FTSE 100 index.

Halma is named as one of Britain's Most Admired Companies and has retained its No. 1 ranking in the Engineering sector over the past four years.
