The full text of the resolutions may be found in the notice of the Annual General Meeting, a copy of which is available on both the Company's website <https://www.graviscapital.com/funds/gcp-asset-backed/literature> and on the National Storage Mechanism <https://data.fca.org.uk/#!/nsm/nationalstoragemechanism>.
2. Any proxy appointments which gave discretion to the Chair, or a third party were voted for the resolution.

The Board notes that votes in excess of 10% of total votes cast were received against the resolutions to re-elect the directors.

The AIC Code of Corporate Governance (the "AIC Code") notes that where a significant proportion of votes have been cast against a resolution at a general meeting, a company should explain what actions it has taken to understand the reasons behind the vote. For these purposes, the AIC Code consider 20% or more of votes cast against a board recommendation for a resolution as being "significant" as opposed to PIRC, who consider 10% or more votes cast against a resolution as being significant.

The Company will seek to engage with the relevant shareholders who voted against the resolutions, in order to understand the reasons for their votes and address their concerns.

In accordance with Listing Rule 9.6.2, the full text of the special resolutions passed at the Annual General Meeting has been submitted to the National Storage Mechanism and will shortly be available for inspection at <https://data.fca.org.uk/#!/nsm/nationalstoragemechanism>.
