Notes to Editors

Alfa has been delivering software systems and consultancy services to the global asset and automotive finance industry since 1990. Our best practice methodologies and specialised knowledge of asset finance facilitates delivery of large software implementations and highly complex business change projects. With an excellent delivery track record now into its fourth decade, Alfa's experience and performance is unrivalled in the industry.

Alfa Systems, our class-leading technology platform, is at the heart of some of the world's largest asset finance companies. Key to the business case for each implementation is Alfa Systems' ability to replace multiple customer systems with our single platform. Alfa Systems supports both retail and corporate business for auto, equipment, wholesale and dealer finance on a multijurisdictional basis, including leases/loans, originations and servicing. An end-to-end solution with integrated workflow and automated processing using business rules, Alfa Systems provides compelling solutions to asset finance companies.

Alfa Systems is currently live in 38 countries. Alfa has offices in Europe, Australasia and North America. For more information, visit www.alfasystems.com
