About Celadon Pharmaceuticals Plc

Celadon Pharmaceuticals Plc is a UK based pharmaceutical company focused on the research, cultivation, manufacturing, and sale of breakthrough cannabis-based medicines. Its primary focus is on improving quality of life for chronic pain sufferers, as well as exploring the potential of cannabis-based medicines for other conditions such as autism. Its 100,000 sq. ft UK facility is EU-GMP approved and comprises indoor hydroponic cultivation, proprietary GMP extraction and manufacturing and an analytical and R&D laboratory. Celadon's Home Office licence allows for the commercial supply of its GMP pharmaceutical cannabis product. The Company's subsidiary, LVL, owns a MHRA conditionally-approved clinical trial using cannabis based medicinal products to treat chronic pain in the UK. Celadon also has a minority interest in early-stage biopharma Kingdom Therapeutics which is developing a licenced cannabinoid medicine to treat children with Autism Spectrum Disorder.
