Company Overview

Founded in 1987, following the acquisition of a single-site confectionery wholesale business based in North Shields, United Kingdom, Kitwave is a delivered wholesale business, specialising in selling and delivering impulse products, frozen, chilled and fresh foods, alcohol, groceries and tobacco to approximately 42,000, mainly independent, customers.

With a network of 29 depots, Kitwave is able to support delivery throughout the UK to a diverse customer base, which includes independent convenience retailers, leisure outlets, vending machine operators, foodservice providers and other wholesalers, as well as leading national retailers.

The Group's growth to date has been achieved both organically and through a strategy of acquiring smaller, predominantly family-owned, complementary businesses in the fragmented UK grocery and foodservice wholesale market.

Kitwave Group plc (AIM: KITW) was admitted to trading on AIM of the London Stock Exchange on 24 May 2021.
