**About CAB Payments**

CAB Payments is a specialist FX and payments business which connects hard-to-reach markets to the global economy so that money can move where it's needed. It works with a diverse and high-quality client base of banks, fintechs, governments, central banks and international development organisations to serve currencies across over 150 countries, providing transparency, security and traceability to international money transfers within a highly regulated operating framework. It offers real-time, competitive pricing and a customisable user experience, underpinned by integrated data analytics.

The company benefits from having a UK banking license, bringing with it bank grade compliance, robust risk management, flexibility on products, and a recognition as partner of choice for blue-chip clients.
