About Advanced Medical Solutions Group plc

AMS is a world-leading independent developer and manufacturer of innovative tissue-healing technology, focused on quality outcomes for patients and value for payers. AMS has a wide range of surgical products including tissue adhesives, sutures, haemostats, internal fixation devices and internal sealants, which it markets under its brands LiquiBand®, RESORBA®, LiquiBandFix8® and Seal-G®. AMS also supplies wound care dressings such as silver alginates, alginates and foams through its ActivHeal® brand as well as under white label. Since 2019, the Group has made five acquisitions: Sealantis, an Israeli medical device company with a patent-protected sealant technology platform; Biomatlante, an established French developer and manufacturer of innovative surgical biomaterial technologies; Raleigh, a UK leading coater and converter of materials predominately for woundcare and bio-diagnostics products; AFS Medical, an Austrian a specialist surgical business with a focus on minimally invasive procedures, and Connexicon Medical, an Irish tissue adhesives specialist.

AMS's products, manufactured in the UK, Germany, France, the Netherlands, the Czech Republic and Israel, are sold globally via a network of multinational or regional partners and distributors, as well as via AMS's own direct sales forces in the UK, Germany, Austria, the Czech Republic and Russia. The Group has R&D innovation hubs in the UK, Germany, France, Ireland and Israel. Established in 1991, the Group has more than 800 employees. For more information, please see www.admedsol.com.
