15 September 2023

Haydale Graphene Industries Plc

("Haydale" or the "Company")

Retail Offer

Haydale is pleased to announce a retail offer to existing shareholders via the Bookbuild Platform to raise up to £1.0 million (the "**Retail Offer**") through the issue of new ordinary shares of 0.1 pence each in the capital of the Company ("**Ordinary Shares**"). Under the Retail Offer up to 200,000,000 new Ordinary Shares (the "**Retail Offer Shares**") will be made available at a price of 0.5 pence per share (the "**Issue Price**").

In addition to the Retail Offer and as announced earlier today, the Company has conditionally raised £5.0 million at the Issue Price through a placing and subscription (the "**Placing**", the "**Subscription**", and together with the Retail Offer, the "**Fundraising**"). A separate announcement has been made regarding the Placing and Subscription and its terms and sets out the reasons for the Fundraising and use of proceeds.

The Issue Price represents a discount of approximately 35.5 per cent to the closing share price of 0.775p per Existing Ordinary Share on 14 September 2023.

The Retail Offer is conditional (amongst other things) upon the passing of resolutions to authorise the issue of the New Ordinary Shares on a non-pre-emptive basis and the Capital Reorganisation, admission of the Retail Offer Shares to trading on the AIM market ("**AIM**") operated by the London Stock Exchange ("**Admission**") (expected to take place at 8.00 a.m. on 5 October 2023), and completion of the Placing and Subscription.

The Placing Shares, the Subscription Shares and the Retail Offer Shares will rank pari passu with the existing Ordinary Shares in issue following the Capital Reorganisation.

For the avoidance of doubt, the Retail Offer is not part of the Placing and Subscriptions. Capitalised terms used in this announcement shall have the same meanings as defined in the Company's announcement released today under RNS number 6563M unless the context requires otherwise.

Any expenses incurred by any intermediary are for its own account. Investors should confirm separately with any intermediary whether there are any commissions, fees or expenses that will be applied by such intermediary in connection with any application made through that intermediary pursuant to the Retail Offer.

The Retail Offer will be open to eligible investors in the United Kingdom at 4:00 p.m. on 15 September 2023. The Retail Offer is expected to close at 12:00 noon on 22 September 2023. UK Product Governance Requirements

Solely for the purposes of the product governance requirements of Chapter 3 of the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK MiFIR Product Governance Requirements) may otherwise have with respect thereto, the Retail Offer Shares have been subject to a product approval process, which has determined that the Retail Offer Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in paragraphs 3.5 and 3.6 of COBS; and (ii) eligible for distribution through all permitted distribution channels (the "**UK Target Market Assessment**").

Notwithstanding the UK Target Market Assessment, distributors should note that: the price of the Retail Offer Shares may decline and investors could lose all or part of their investment; the Retail Offer Shares offer no guaranteed income and no capital protection; and an investment in the Retail Offer Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The UK Target Market Assessment is without prejudice to any contractual, legal or regulatory selling restrictions in relation to the Retail Offer.

For the avoidance of doubt, the UK Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapters 9A or 10A respectively of COBS; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Retail Offer Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Retail Offer Shares and determining appropriate distribution channels.

EU Product Governance Requirements

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "**MiFID II Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the Retail Offer Shares have been subject to a product approval process, which has determined that the Retail Offer Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the "**EU Target Market Assessment**"). Notwithstanding the EU Target Market Assessment, distributors should note that: the price of the Retail Offer Shares may decline and investors could lose all or part of their investment; the Retail Offer Shares offer no guaranteed income and no capital protection; and an investment in the Retail Offer Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The EU Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Retail Offer.

For the avoidance of doubt, the EU Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase or take any other action whatsoever with respect to the Retail Offer Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Retail Offer Shares and determining appropriate distribution channels.
