

22 September 2023

Press Release

## Director/PDMR Exercise of Options

**Jersey, Channel Islands, 22 September 2023** – Serinus Energy plc ("the Company") reports that its Chief Executive Officer, Jeffrey Auld, exercised share options representing 350,000 common shares at a price of 2.0 pence in the Company ("Common Shares") on September 21, 2023. Following the purchase, Mr. Auld's total shareholding in the Company comprises 1,338,875 Ordinary Shares, representing 1.1738% per cent of the Issued Share Capital of the Company.

The share options exercised were issued in 2016 in accordance with the Company's shareholder approved stock option plan and were set to expire on September 22, 2023.

Shares will be issued from Treasury. Immediately following Admission, the Company's issued share capital will consist of 114,066,073 Common Shares. The Company currently holds 2,011,515 Common Shares in treasury. This figure may be used by shareholders to determine if they are required to notify their interest in, or a change to their interest in, the Company.

The notifications below, made in accordance with the requirements of the UK Market Abuse Regulation, provide further detail on the above transactions.

**Translation:** *This news release has been translated into Polish from the English original.*

**Forward-looking Statements** *This release may contain forward-looking statements made as of the date of this announcement with respect to future activities that either are not or may not be historical facts. Although the Company believes that its expectations reflected in the forward-looking statements are reasonable as of the date hereof, any potential results suggested by such statements involve risk and uncertainties and no assurance can be given that actual results will be consistent with these forward-looking statements. Various factors that could impair or prevent the Company from completing the expected activities on its projects include that the Company's projects experience technical and mechanical problems, there are changes in product prices, failure to obtain regulatory approvals, the state of the national or international monetary, oil and gas, financial, political and economic markets in the jurisdictions where the Company operates and other risks not anticipated by the Company or disclosed in the Company's published material. Since forward-looking statements address future events and conditions, by their very nature, they involve inherent risks and uncertainties and actual results may vary materially from those expressed in the forward-looking statement. The Company undertakes no obligation to revise or update any forward-looking statements in this announcement to reflect events or circumstances after the date of this announcement, unless required by law.*
