

4 October 2023

Savannah Resources Plc
(AIM: SAV, FWB: SAV and SWB: SAV) ('Savannah', or the 'Company')

Barroso Lithium Community Newspaper

Savannah Resources, the European lithium development company, is pleased to announce that it has published the first iteration of its Barroso Lithium Community Newspaper. This initiative provides stakeholders with updated information about the Barroso Lithium Project (the "Project"), including upcoming activities and events. Savannah is committed to ensuring transparency around its operations, and that reliable information regarding the Project and the Company is readily available to all stakeholders.

The physical newspaper has been distributed in the municipality of Boticas, and can also be found at our local Information Centres as well as on our website at: <https://www.savannahresources.com/esg-community/our-community/>

Savannah plans to publish the next edition of the newspaper later this year.

Savannah - **Enabling Europe's energy transition.**

About Savannah

Savannah Resources is a mineral resource development company and sole owner of the Barroso Lithium

Project in northern Portugal.

Savannah is focused on the responsible development and operation of the Barroso Lithium Project so that its impact on the environment is minimised and the socio-economic benefits that it can bring to all its stakeholders are maximised. Through the Barroso Lithium Project, Savannah can help Portugal to play an important role in providing a long-term, locally sourced, lithium raw material supply for Europe's rapidly developing lithium battery value chain. Production is targeted to begin in 2026, producing enough lithium for 0.5m vehicle battery packs per year.

The Company is listed and regulated on AIM and the Company's ordinary shares are also available on the Quotation Board of the Frankfurt Stock Exchange (FWB) under the symbol FWB: SAV, and the Börse Stuttgart (SWB) under the ticker "SAV".
