About Inspiration Healthcare

Inspiration Healthcare (AIM: IHC) is a global provider of medical technology for use in neonatal intensive care & operating theatres. The Company provides high quality innovative products to patients around the world which help to improve patient outcomes and it actively invests in innovative product opportunities and disruptive technologies.

The Company has key own brand products that can be used within the first days of life to help premature and sick babies; helping resuscitation and stabilisation in the first moments of life through to preventing brain damage and both invasive and non-invasive respiratory support in terms of capital equipment and disposable medical devices. Additionally, the Company has its own range of products for maintaining normothermia pre, during and post-surgery.

Since September 2019, the Company has acquired Vio Holdings a designer, manufacturer and supplier of single use respiratory products and sterile medical consumables and S.L.E., a leading designer, manufacturer and global provider of neonatal ventilation products. The Group generates approximately 58% of its revenues from export markets and more than half of its revenues come from its own-branded products.

With product availability actively promoted to over 80 countries through a distribution network, Inspiration Healthcare's success has been built on continuous innovation, excellent customer service and an inherent commitment to improving patient outcomes, working in close collaboration with key opinion leaders across the globe.

In the UK and Ireland, the Group has direct sales teams selling Group Branded and complementary products from third parties, with an additional range of home healthcare products. This is supported by Technical Support for planned preventative maintenance and emergency assistance.

The Group operates from various sites in the UK for R&D, Marketing and operations with manufacturing based in Croydon (south London) and Hailsham (East Sussex). The Group's Head Office is located in Crawley, a short distance from London's Gatwick Airport.
