**About Carr's Group plc:**

Carr's is an international leader in manufacturing value added products and solutions, with market leading brands and robust market positions in Agriculture and Engineering, supplying customers around the world. Carr's operates a business model that empowers operating subsidiaries enabling them to be competitive, agile, and effective in their individual markets whilst setting overall standards and goals.

The Speciality Agriculture division manufactures and supplies feed blocks, minerals and boluses containing trace elements and minerals for livestock.

The Engineering division manufactures vessels, precision components and remote handling systems, and provides specialist engineering services, for the nuclear, defence and oil & gas industries.
