About Coats Group plc

Coats is a world leader in thread manufacturing and structural components for apparel and footwear, as well as an innovative pioneer in performance materials. These critical solutions are used to create a wide range of products, including ones that provide safety and protection for people, data, and the environment. Headquartered in the UK, Coats is a FTSE250 company and a FTSE4Good Index constituent. Revenues in 2022 were \$1.6bn. Trusted by the world's leading companies to deliver vital, innovative, and sustainable solutions, Coats provides value-adding products, including apparel, accessory and footwear threads, structural components for footwear and accessories, fabrics, yarns, and software applications. Customer partners include companies from the apparel, footwear, automotive, telecoms, personal protection, and outdoor goods industries. With a proud heritage dating back more than 250 years and a spirit of evolution to constantly stay ahead of changing market needs, Coats has operations across some 50 countries with a workforce of over 18,000, serving its customers worldwide. Coats connects talent, textiles, and technology to make a better and more sustainable world. Worldwide, there are four dedicated Coats Innovation and Sustainability Hubs, where experts collaborate with partners to create the materials and products of tomorrow. It participates in the UN Global Compact and is committed to Science-Based sustainability targets for 2030 and beyond, with a goal of achieving net-zero by 2050. Coats is also committed to achieving its goals in Diversity, Equity and Inclusion, workplace health and safety, employee and community wellbeing, and supplier social performance.
