FOR IMMEDIATE RELEASE

18 December 2023

**GCP Asset Backed Income Fund Limited**

**("GABI" or the "Company")**

**LEI: 213800FBBZCQMP73A815**

**Loan prepayment**

The Company has received cash proceeds (the "Proceeds") of c.£35m from the early prepayment of loans secured against a portfolio of nurseries across the UK (the "Relevant Loans"). The Proceeds were made up of the repayment of £33.64m of principal, £0.65m of accrued interest and an early prepayment fee of £0.75m. The contractual repayment dates of the Relevant Loans were between 2027 and 2031. At 30 September 2023, the valuation of the Relevant Loans was £33.64m (representing 8.2% of the total fair value of the Company's investments).

As previously announced, the Board of Directors of the Company (the "Board") intends that any available cash be used: (i) to repay the Company's outstanding balance under its revolving credit facilities (the "RCF") and reduce the Company's net debt; or (ii) repurchase the Company's shares whilst such shares trade at a material discount to their prevailing net asset value. The Board currently expects the Company will fully repay the outstanding balance under the RCF of c.£24m by 31 December 2023.

Alex Ohlsson, Chairman of GABI, commented: "The Board is pleased with the level of prepayment that the Investment Manager has achieved from this portfolio of loans to a nursery group. The loans have been repaid considerably ahead of their contracted repayment dates, which will enable the Company to fully repay its outstanding debt facilities and end the year with no borrowings. The Board and the Investment Manager remain committed to maximising value for shareholders."
