***About Hostelworld Group***

Hostelworld Group Plc is a ground-breaking social network powered OTA focused on the hostelling category, with a clear mission to help travellers find people to hang out with. Our mission statement is founded on the insight that the vast majority of travellers go hostelling as a means to meet other people; which we facilitate through a series of Social features on our platform that connect our travellers in hostels and cities based on their booking data. To date the strategy has been extraordinarily successful, generating significant word of mouth recommendations from our customers and strong endorsements from our Hostel partners.

Founded in 1999, Hostelworld is a well-known trusted brand with 250 employees across 11 countries; hostel partners in 170 countries; and a strong commitment to building a better world in all that we do. In particular, our focus in the last few years has been on improving the sustainability of hostelling industry, through our membership of the Global Sustainable Tourism Council (GSTC); our active involvement in the Global Tourism Plastics Initiative (GTPI); our partnerships with Bureau Veritas to establish emissions benchmarks for the hostelling industry; and our recent partnership with the South Pole to be a climate neutral company in 2021 and 2022.
