

Tribe Technology PLC
("Tribe Tech", the "Company" or the "Group")

Directorate change

Tribe Technology PLC (AIM: TRYB), a disruptive developer and manufacturer of autonomous mining equipment, announces that Eric Hampel has notified the Company of his intention to step down as Chief Financial Officer ("CFO") and as a director of the Company, due to personal circumstances. Eric will remain as CFO and as a director of the Company until July 2024.

Eric will remain focused on running the Company's finance function and continue to support Tribe Tech during his six month notice period. Eric will also work to ensure the effective transition of his responsibilities to his successor with the intention that there will be an orderly handover period.

The Company has initiated a process to appoint a permanent successor and a further announcement will be made in due course.

Charlie King, Chief Executive Officer at Tribe Tech, stated:

"We would like to thank Eric for all his hard work during the last 4 years with the Company. Eric has supported the Company during several milestones, including successful fundraises, progress towards the first product line and the Company's IPO in September 2023. We wish him all the best for the future."

About Tribe Tech

Established in 2019, the Group was founded to create a safer, more efficient work environment through the development of fully autonomous reverse circulation drill rigs in the mining industry. The Group's core activities are the development, in-house manufacturing, and sale of its autonomous RC Drill Rigs incorporating its core proprietary intellectual property, the Tribe Technology Drilling System ("TTDS").
