The Company is committed to pursuing a progressive buy-and-build consolidation strategy within the fragmented healthcare market and looks to capitalise on the attractive opportunities that its disruptive service model offers to generate value to shareholders.

Totally helps healthcare commissioners and hospitals ensure patients can access the most appropriate care quickly and efficiently by delivering quality urgent care services, such as NHS 111 and urgent treatment centres, elective care services including insourcing, outsourcing and elective care delivered via 'Any Qualified provider', as well as community dermatology clinics; and therapy servicing including first contact practitioner and a full physiotherapy and podiatry offering. Our corporate customer services also play a role in reducing reliance on healthcare by promoting healthy lifestyles and physical and mental health.
