Concurrent Technologies Plc
(the 'Company')

Board Appointment

Concurrent Technologies Plc (AIM: CNC), a designer and manufacturer of leading-edge computer products, systems and mission critical solutions used in high-performance markets by some of the world's major OEMs, announces the appointment of Isabel ("Issy") Urquhart as an independent Non-Executive Director to the Company with immediate effect.

Issy is an experienced commercial human resources (HR) director with over 30 years' experience working with global technology and financial services businesses in both the public and private sectors. Issy is currently Chief People Officer and Director at AIM-listed SaaS business Craneware plc. Previous roles include HR Director for EMEA at CommScope, a Fortune 500 organisation with 30,000 employees worldwide, Vice President (VP) of HR at Wolfson Microelectronics plc and VP of HR for EMEA, LATAM and APAC at Convergy's. Across all roles, Issy has been responsible for implementing successful people programs and leading extensive business change and culture initiatives. She brings specialist experience in M&A and delivering effective global, collaborative working.

Mark Cubitt, Chairman of Concurrent Technologies, commented: *"We are delighted to welcome Issy to the Board at a particularly exciting time for the Company and look forward to benefitting from her expertise in driving people and change management strategies across trans-Atlantic operations. I am confident Issy will be an invaluable guide to the business as we deliver on our growth strategy and create the right environment for our people to succeed."*
