About Venture Life (www.venture-life.com)

Venture Life is an international consumer self-care company focused on developing, manufacturing and commercialising products for the global self-care market. With operations in the UK, Italy, The Netherlands and Sweden, the Group's product portfolio includes some key products such as the Balance Active range in the area of women's intimate healthcare, the Earol® product line in ENT care, the Lift and Glucogel product ranges for energy and glucose management and hypoglycaemia, the UltraDEX and Dentyl oral care product ranges, products for fungal infections and proctology, and dermo-cosmetics for addressing the signs of ageing. Its products are sold in over 90 countries worldwide.

The products, which are typically recommended by pharmacists or healthcare practitioners, are available primarily through pharmacies and grocery multiples. In the UK and The Netherlands these are supplied direct by the company to retailers, elsewhere they are supplied by the Group's international distribution partners.

Through its two Development & Manufacturing operations in Italy and Sweden, the Group also provides development and manufacturing services to companies in the medical devices and cosmetic sectors.
