Notes to Editors

LifeSafe is a fire safety technology business that develops eco-friendly, novel and innovative fire extinguishing fluids and life-saving fire safety products. LifeSafe has developed a market disrupting range of eco-friendly fire safety protection products; a new patent-pending Thermal Runaway Fluid to combat lithium battery fires by permanently extinguishing and preventing re-ignition, and the StaySafe All-in-1, a handheld eco-friendly and fully recyclable extinguisher which is verified to extinguish ten different types of fire and the number one selling fire extinguisher on Amazon UK. LifeSafe is successfully creating new markets for the Group in fire safety through its innovative technologies, products, digital marketing and multi-channel sales; and is continuing to develop new fluid derivations for applications in various industrial market sectors.

LifeSafe was admitted to trading on AIM in July 2022 with the ticker LIFS.
