**Atalaya Mining Plc.**  
("Atalaya" or "the Company")  
**Publication of 2023 Sustainability Documents**

Atalaya Mining Plc (LSE: ATYM) is pleased to announce the publication of its Sustainability Report and Climate Change Report for the year ended 31 December 2023.

The 2023 Sustainability Report is prepared with reference to the Global Reporting Initiative Standards ("GRI Standards"), in accordance with Spanish Law 11/2018 on non-financial information, and to provide certain Metals & Mining sector indicators outlined by the Sustainability Accounting Standards Board ("SASB"). The 2023 Sustainability Report was verified by EY.

The 2023 Climate Change Report shows Atalaya's progress in aligning with the recommendations of the Task Force on Climate-related Financial Disclosures ("TCFD"), which seek to improve the consistency and comparability of climate-related financial disclosure.

Both reports and the ESG Databook can be found on the Company's website at [www.atalayamining.com](http://www.atalayamining.com)

**Alberto Lavandeira, CEO, commented:**

"The release of our latest sustainability report reinforces Atalaya's strong commitment to transparency and responsible business practices. Our dedication to operating in a manner that positively impacts our nearby communities, the environment and culture remains steadfast.

Looking ahead, we remain focussed on building further on the great strides in sustainability we have already taken, like reducing water consumption to advancing renewable energy projects like our upcoming solar plant. We would like to extend our gratitude to all stakeholders for their continued support."

**About Atalaya Mining Plc**

Atalaya is a European copper producer that owns and operates the Proyecto Riotinto complex in southwest Spain. Atalaya's shares trade on the London Stock Exchange's Main Market (Premium Segment) under the symbol "ATYM".

Atalaya's operations include the Cerro Colorado open pit mine and a modern 15 Mtpa processing plant, which has the potential to become a central processing hub for ore sourced from its wholly owned regional projects around Riotinto, such as Proyecto Masa Valverde and Proyecto Riotinto East. In addition, Atalaya has a phased earn-in agreement for up to 80% ownership of Proyecto Touro, a brownfield copper project in the northwest of Spain, as well as a 99.9% interest in Proyecto Ossa Morena.
