**Corero Network Security plc**  
("Corero" or the "Company")

**Strategic Partnership with Leading Hosting Services Provider**

*Corero to enhance Dutch company RoyaleHosting's DDoS protection globally*

Corero Network Security plc (AIM: CNS) (OTCQB: DDOSF), the distributed denial of service ("DDoS") protection specialists, is pleased to announce a three-year partnership agreement with leading global hosting services provider RoyaleHosting to integrate Corero's award-winning DDoS mitigation technology across RoyaleHosting's global network infrastructure (the "Partnership").

The Partnership, will see Corero deploy its comprehensive DDoS protection-as-a-service across RoyaleHosting's rapidly growing customer base, complementing its recently launched cybersecurity product Shield Panel.

RoyaleHosting's Shield Panel has now been fully integrated with Corero's highly complementary DDoS mitigation features, ensuring RoyaleHosting's 700+ global customers have access to reliable protection against DDoS threats, alongside comprehensive insights through an intuitive user interface.

The Partnership builds on Corero's recent new contract momentum and further demonstrates the Company's commitment to expanding its European footprint in FY2024 and beyond following the extension of its partnership with Ingecom Ignition in March 2024.

**Carl Herberger, Chief Executive Officer of Corero, commented:**

*"Companies worldwide continue to view Corero as the go-to choice for premium DDoS protection and RoyaleHosting's decision to integrate Corero technology within their Shield Panel will ensure customers experience the best in DDoS protection."*

*"We're pleased to be deploying our DDoS protection solutions to support the team at RoyaleHosting and will update the market on future new business activity in due course."*

**Stan Van de Klippe, Chief Executive Officer of RoyaleHosting, commented:**

*"Corero's seamless integration into our Shield Panel was a logical step. Their proactive DDoS mitigation aligns perfectly with our core values of providing excellent service and reliable network protection."*

*"Our customers now enjoy comprehensive security without compromise, reinforcing our commitment to supporting their needs."*
