Notification of Transaction by Person Discharging Managerial Responsibilities

Burford Capital Limited, the leading global finance and asset management firm focused on law, provides the following notification of a transaction by a person discharging managerial responsibilities. On May 28, 2024, Chris Halm, Vice Chair and Non-Executive Director, used his deferred cash compensation to purchase 712 ordinary shares of nil par value of Burford Capital Limited (the "Shares") through the Burford employee deferred compensation plan.

Further details about the Burford employee deferred compensation plan can be found in Burford's Annual Report on Form 20-F for the year ended December 31, 2023 filed with the US Securities and Exchange Commission on March 28, 2024. In essence, Burford employees and non-executive directors are able to elect to defer cash compensation, without incurring current taxes, into the Burford employee deferred compensation plan, which in turn permits the full amount of that deferred compensation to be allocated to the Shares (or for other investment options). This is a tax-efficient way for employees and non-executive directors to continue to accumulate exposure to the Shares.
