

5 June 2024

CONFIRMATION OF LEGAL ENTITY NAME CHANGE

Further to our announcement on 22 February 2024, and shareholder approval at our AGM on 15 May 2024, Spirax-Sarco Engineering plc (ticker: SPX) confirms its immediate change of name to Spirax Group plc.

Companies House issued a change of name certificate on 3 June 2024 and the legal entity name change marks the completion of the Company's rebrand to Spirax Group, which reflects the development of the Company over many years into a larger and stronger Group of three aligned Businesses with differentiated and complementary capabilities.

The London Stock Exchange has been notified of the name change and trading in the Company's shares as Spirax Group plc is expected to commence at 8.00 am on 6 June 2024. The Company's ticker (SPX), ISIN and SEDOL remain unchanged.

Shareholder's rights are unaffected by the change. Existing share certificates remain valid and should be retained.

About Spirax Group plc

Spirax Group is positioned to play a critical role in enabling the industrial transition to net zero, aligned to our Purpose to create sustainable value for all our stakeholders as we engineer a more efficient, safer and sustainable world. We put solving customers' problems at the heart of our 'total solutions' approach. Our global thermal energy and fluid technology solutions improve operating efficiency and safety in our customers' critical industrial processes. Our decarbonisation solutions use proprietary technologies to eliminate scope 1 and 2 greenhouse gas emissions* by electrifying boilers for the raising of steam, as well as the electrification of other critical industrial process heating applications.

Spirax Group comprises three strong and aligned Businesses: Steam Thermal Solutions helps customers control and manage steam within their mission critical industrial applications, such as cleaning, sterilising, cooking and heating. We are helping to put food safely on the world's tables and keeping our hospitals running. Electric Thermal Solutions

has proprietary technologies that deliver electrification solutions at scale in industrial settings, including for the raising of steam, supporting our customers to achieve their net zero goals. We also deliver freeze protection and defrost solutions critical to aviation and space industries and ensure thermal uniformity in Semiconductor chip manufacturing to power the critical electronic systems we rely on. Watson-Marlow Fluid Technology Solutions is optimising the efficient use of resources and supporting advancements in global health, such as lifesaving vaccines and gene therapies.

Spirax Group is headquartered in Cheltenham (UK). We have 37 strategically located manufacturing plants around the world and are committed to creating a safe and inclusive working culture for our 10,000 colleagues, operating in 66 countries and serving 110,000 customers globally. The Company's shares have been listed on the London Stock Exchange since 1959 (symbol: SPX) and we are a constituent of the FTSE 100 and the FTSE4Good Indexes.
