Resolutions 8, 9 and 10

While the Board is pleased that Resolution 8 was carried, the Board notes that there were a significant number of votes against it and will seek to understand the reasons therefore through consultation with shareholders. The Board further notes that Resolutions 9 and 10, being special resolutions, did not gain the requisite support to be carried despite seeking authorities significantly below the levels approved by the Pre-Emption Group. The Board will seek to understand the concerns of shareholders voting against those resolutions.
