3. Ordinary resolution to appoint the firm of KPMG LLP, Chartered Professional Accountants of Calgary, Alberta, to serve as auditors of Touchstone for the ensuing year at such remuneration as may be determined by the Company's board of directors (the "Board"), with 96.79% of the common shares represented at the Meeting voting in favour of the resolution.
4. Ordinary resolution approving and reconfirming the continuation of the Company's existing shareholder rights plan agreement, with 90.21% of the common shares represented at the Meeting voting in favour of the resolution.

Touchstone notes that the resolutions relating to the election of the director nominees were passed but that resolutions relating to non-executive director nominees did not attain the support of more than 80% of the common shares voted at the Meeting.

To understand the reasoning behind the votes, initial discussions were held with certain shareholders regarding aspects of corporate governance prior to the Meeting. The Company's Board have been made aware and acknowledge concerns relating to the size of the Board. The Board intends to take appropriate action to reduce the number of directors following the anticipated completion of Touchstone's previously announced proposed acquisition of Trinity Exploration and Production plc.
