

**Hikma Pharmaceuticals PLC
(the Company)
Total Voting Rights and Capital**

LONDON, 1 July 2024 - In accordance with section 5.6.1 of the UK Financial Conduct Authority's Disclosure Guidance and Transparency Rules (the 'Rules'), Hikma Pharmaceuticals PLC notifies the market of the following:

As at 30 June 2024, the issued share capital of the Company comprised of 221,886,453 Ordinary Shares of 10 pence each ('Shares') with voting rights. This figure excludes 12,833,233 Shares held in treasury, which do not have voting rights.

The figure of 221,886,453 may be used by shareholders (and others with notification obligations) as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the Company under the Rules.

About Hikma

Hikma helps put better health within reach every day for millions of people around the world. For more than 45 years, we've been creating high-quality medicines and making them accessible to the people who need them. Headquartered in the UK, we are a global company with a local presence across North America, the Middle East and North Africa (MENA) and Europe, and we use our unique insight and expertise to transform cutting-edge science into innovative solutions that transform people's lives. We're committed to our customers, and the people they care for, and by thinking creatively and acting practically, we provide them with a broad range of branded and non-branded generic medicines. Together, our 9,100 colleagues are helping to shape a healthier world that enriches all our communities. We are a leading licensing partner, and through our venture capital arm, are helping bring innovative health technologies to people around the world.
