

10 July 2024

**Corero Network Security plc**  
("Corero" or the "Company")

#### **Significant June 2024 New Customer Wins**

***Total contract value \$2.2 million***

Corero (AIM: CNS)(OTCQB: DDOSF) the distributed denial of service ("DDoS") protection specialists, is pleased to announce that the Company has received significant new orders for its market-leading SmartWall ONE™ DDoS protection solutions to close out Q2 2024, continuing Corero's robust 2024 customer acquisition momentum (the "Orders").

The following Orders, which have a total contract value of \$2.2 million, are summarised below:

- New customer: 3-year, \$1 million plus contract with a top-10 US fiber provider, with Corero replacing the incumbent solutions provider in a number of the provider's US data centres. Corero is deploying its suite of sophisticated DDoS mitigation solutions, including the Company's market-leading application SmartWall ONE™.
- New customer: a North American network neutral interconnection, co-location and data centre specialist, with Corero replacing the existing DDoS protection provider. Corero is deploying a solution comprising of SmartWall ONE™ as well as SecureWatch® Managed Services and Cloud Mitigation functionality.
- New customer: a Canadian major utility owned regional communications and internet service provider. Corero is implementing the Company's SmartWall ONE™ solution, augmented by the Service Portal and the recently launched IP Intelligence service, to provide world-class service availability for the client.
- New customer: a leading UK provider of business-to-business connectivity solutions and services. This new customer chose SmartWall ONE™ as the solution allows for scale and flexibility to facilitate the provider's rapid growth trajectory.

**Carl Herberger, Chief Executive Officer at Corero, commented:**

*"These key customer wins build on our continued new business momentum generated throughout Q2 2024, with all four choosing to replace their existing solutions with Corero's market-leading SmartWall ONE™ technology.*

*Securing these significant new mandates completes a successful half-year period for the Company and provides a strong base from which we can further grow our global market presence and enhance our service offering in the remainder of the year and beyond."*
