Notes for editors:

James Cropper is a market leader in Advanced Materials and Paper & Packaging, centred around four market audiences: Energy Solutions, Composite Solutions, Luxury Packaging and Creative Papers.

A purpose-led business, built upon six generations of the Cropper family, James Cropper has a 600+ international workforce and an operational reach in over 50 countries.

Established in 1845, the Group manufactures creative papers, luxury packaging and advanced materials incorporating pioneering non-wovens and electrochemical coatings.

James Cropper is a specialist provider of niche solutions tailored to a unique customer specification, ranging from substrates and components in hydrogen electrolysis and fuel cells to bespoke colours and textures in paper and moulded fibre packaging designed to replace single use plastics.

The Group operates across multiple markets from luxury retail to renewable energy. It is renowned globally for service, capability, pioneering and multi award-winning commitment to the highest standards of sustainability.

James Cropper's goal is to be operationally net zero by 2030 and to reduce carbon through its entire supply chain to net zero by 2050.
