Burford Capital Appoints KPMG LLP as Independent Auditor

Burford Capital Limited ("Burford"), the leading global finance and asset management firm focused on law, is pleased to announce that, on July 1, 2024, the audit committee (the "Audit Committee") of Burford's board of directors (the "Board") has approved, and the Board has ratified, the appointment of KPMG LLP ("KPMG") as Burford's independent registered public accounting firm. KPMG will review Burford's consolidated financial statements for the three and nine months ending September 30, 2024 and will audit Burford's consolidated financial statements for the fiscal year ending December 31, 2024.

KPMG replaces Ernst & Young LLP ("E&Y"), which has served as Burford's independent auditor since 2010. While Burford is not subject to traditional UK mandatory auditor rotation every ten years, Burford is nevertheless conscious of shareholder feedback about best practices in the UK market and, while it would have been disruptive to have rotated auditors during the transition to US GAAP and the addition of our New York Stock Exchange listing, with those items behind us now is an appropriate moment to abide by those best practices and move to another Big Four accounting firm.

KPMG's appointment is subject to the ratification of Burford's shareholders at an extraordinary general meeting (the "2024 EGM") to be held in due course.

Dismissal of Previous Independent Registered Public Accounting Firm

On July 1, 2024, the Audit Committee has also approved, and the Board has ratified, the dismissal of E&Y as Burford's independent registered public accounting firm, effective immediately following the issuance of Burford's consolidated financial statements for the three and six months ended June 30, 2024.

The reports of E&Y on Burford's consolidated financial statements for the fiscal years ended December 31, 2023 and 2022 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. In connection with the audits of Burford's consolidated financial statements for each of the fiscal years ended December 31, 2023 and 2022 and during the period from the end of the most recently completed fiscal year ended December 31, 2023 through July 1, 2024 (the "Interim Period"), there were no "disagreements" (as defined in Item 304(a)(1)(iv) of Regulation S-K) with E&Y on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which "disagreements", if not resolved to the satisfaction of E&Y, would have caused E&Y to make reference to the subject matter of the "disagreements" in connection with their report for such years. There were no "reportable events" (as described in Item 304(a)(1)(v) of Regulation S-K) during the two fiscal years ended December 31, 2023 and 2022 or the Interim Period, except for certain identified material weaknesses in Burford's internal controls relating to:

- a lack of available evidence to demonstrate the precision of management's review of certain assumptions used in the measurement of the fair value of capital provision assets as disclosed in Burford's annual report on Form 20-F for the year ended December 31, 2023 filed with the US Securities and Exchange Commission (the "SEC") on March 28, 2024, which Burford is in the process of remediating as of the date of this announcement; and
- the determination of Burford's approach to measure the fair value of capital provision assets in accordance with Accounting Standards Codification Topic 820-*Fair Value Measurement*, as disclosed in Burford's annual report on Form 20-F for the year ended December 31, 2022 filed with the SEC on May 16, 2023, which was remediated at December 31, 2023.

The Audit Committee discussed the "reportable events" with E&Y, and Burford has authorized E&Y to respond fully to the inquiries of KPMG, as successor auditor, concerning the subject matter of such "reportable events".

Pursuant to Item 304(a)(3) of Regulation S-K, Burford provided E&Y with a copy of the disclosures in this announcement prior to furnishing this announcement under the cover of Form 6-K to the SEC, and E&Y has furnished a letter addressed to the SEC stating that E&Y agrees with the statements set forth in this paragraph and the two immediately preceding paragraphs above. A copy of E&Y's letter, dated July 9, 2024, has been furnished as Exhibit 99.1 to the Form 6-K.

Appointment of New Independent Registered Public Accounting Firm

On and effective as of July 1, 2024, KPMG was appointed as Burford's independent registered public accounting firm for the three and nine months ending September 30, 2024 and for the fiscal year ending December 31, 2024. The Audit Committee approved, and the Board ratified, the appointment of KPMG, subject to the shareholder approval at the 2024 EGM.

During Burford's two most recent fiscal years ended December 31, 2023 and 2022 and the Interim Period, neither Burford nor anyone acting on its behalf has consulted KPMG regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on Burford's consolidated financial statements, and neither a written report nor oral advice was provided to Burford that KPMG concluded was an important factor considered by Burford in reaching a decision as to any accounting, auditing or financial reporting issue or (ii) any matter that was either the subject of a "disagreement" (as defined in Item 304(a)(1)(iv) of Regulation S-K) or a "reportable event" (as described in Item 304(a)(1)(v) of Regulation S-K).
