("Totally", "the Company" or "the Group")

Totally secures multiple contracts as commissioners tackle new targets
Contracts totalling c. £11 million all to be recognised during current financial year

Totally plc (AIM: TLY), a leading provider of frontline healthcare services, corporate fitness and wellbeing services across the UK and Ireland, announces multiple contract extensions.

Three elective care contracts valued at c.£8 million include the delivery of support to reduce elective care waiting lists for three ICBs across an expanded range of specialities including Gastroenterology, Gynaecology and Ophthalmology. Two of the contracts extend existing relationships where we have a strong track record of delivering quality services and increasing access for patients, supporting c. 2,500 patients each year and ensuring they receive the treatment they need as quickly as possible.

Three contracts to support urgent care services total c.£3.5 million and include the delivery of GPOOH ("GP Out of Hours") services in the North East and Clinical Assessment services in Yorkshire. These established services provide essential access to more than 60,000 patients each year, both in and out of hours.

These Contracts will be recognised within the current financial year.

Wendy Lawrence, Totally CEO said: "We are delighted to confirm these contract extensions, many of which have been in review over the election period. There are now encouraging signs that the temporary election hiatus has lifted."

About Totally

Totally is a leading provider of healthcare and wellbeing services across the UK and Ireland, working in partnership with the NHS, other healthcare providers and corporate customers to help address the challenges of increased demand for healthcare services.

The Company is committed to pursuing a progressive buy-and-build consolidation strategy within the fragmented healthcare market and looks to capitalise on the attractive opportunities that its disruptive service model offers to generate value to shareholders.

Totally helps healthcare commissioners and hospitals ensure patients can access the most appropriate care quickly and efficiently by delivering quality urgent care services, such as NHS 111 and urgent treatment centres, elective care services including insourcing, outsourcing and elective care delivered via 'Any Qualified provider', as well as community dermatology clinics; and therapy servicing including first contact practitioner and a full physiotherapy and podiatry offering. Our corporate customer services also play a role in reducing reliance on healthcare by promoting healthy lifestyles and physical and mental health.

Healthcare services

Urgent Care: Totally's urgent care services are delivered under the Totally Urgent Care brand, by Vocare and Greenbrook Healthcare. Both businesses have a strong heritage and have been delivering quality urgent care services including NHS 111, GP Out of Hours and Urgent Treatment centres on behalf of the NHS for more than 25 years and 15 years respectively.

Elective care: Totally's elective care services are delivered by Pioneer Healthcare, About Health and Premier Physical Healthcare.

- Pioneer Healthcare was established in 2007 and delivers a wide range of acute services to NHS patients, in partnership with independent healthcare sector private hospitals across England, to help the NHS reduce waiting lists whilst maintaining patient care and quality. Pioneer offer services through insourcing and outsourcing agreements and through its Any Qualified Provider status.
- About Health has been delivering community-based specialist care with a focus on delivering prompt assessment and treatment across the country since 2008.
- Premier Physical Healthcare was established in 2007 and provides physiotherapy and podiatry services to NHS patients, often within a community GP practice, and to the prison service.

Corporate Wellbeing Services

Energy Fitness Professionals ("EFP"): EFP is a corporate fitness provider established in 1990 to address a gap in the market for workplace fitness, which has grown to offer a range of services covering workplace wellbeing. EFP manages 61 gyms on behalf of its corporate customers, with more than 14,000 members.
