New lottery contract renewal

Spectra Systems Corporation, a leader in machine-readable high speed banknote authentication, brand protection technologies, security printing and gaming security software, is pleased to announce that on 12 July 2024 it was selected to provide lottery gaming software to a major western state lottery in the United States. The five-year contract renewal's base value is for \$636,000.

Dr. Nabil Lawandy, Chief Executive Officer, stated: "This renewal award indicates that our gaming customers value our services and is a part of the expected renewed growth of this business line under the leadership of its director, Christopher Lal"
