DEALINGS IN SECURITIES

Today, Fabricio Bloisi will notify the Stichting Autoriteit Financiële Markten (AFM) about the offers of performance share units (PSUs) by the Prosus N.V. Share Award Plan.

The offers of PSUs by the Prosus N.V. Share Award Plan to Fabricio were accepted on 17 July 2024. Vesting of PSUs, and the exact quantum thereof, is subject to the achievement of performance conditions set out in the the additional disclosure for the chief executive issued together with the Naspers notice of annual general meeting 2024 on 19 July 2024 (the Disclosure).

Further, an additional offer of PSUs was made to Fabricio Bloisi as a special once-off 'moonshot'. The award will only vest if Fabricio Bloisi has remained employed within the Naspers and Prosus Group until 30 June 2028 and if the Committee determines that all elements of the performance conditions have been satisfied.

This once-off 'moonshot' award will be triggered only when two conditions are met simultaneously:

1. the group's aggregate market capitalisation (being the combined Prosus N.V. and Naspers market capitalisations) is doubled or better between 1 July 2024 and 30 June 2028 - and that value is maintained for at least one year following this period (being 30 June 2029); and
2. the group's net value creation in terms of total shareholder returns compared to the TSR peer group (defined in the Disclosure) beats the 50th percentile between 1 July 2024 and 30 June 2028.

The determination of 1 (first part) and 2 will be made by the Committee as soon as is reasonably possible after 30 June 2028. The Committee will determine whether the market capitalisation has been maintained as soon as is reasonably possible after 30 June 2029.
