**APPENDIX 1**

**1. Background to and Reasons for the Transaction**

***Background to the Company***

Arecor is a globally focused biopharmaceutical company transforming patient care by bringing innovative medicines to market through the enhancement of existing therapeutic products which are safer, more effective and easier-to-use with a vision to provide improved outcomes and quality of life to patients.

Arecor does this by leveraging its innovative and proprietary formulation technology platform, Arestat™. Arecor has a diverse portfolio of both proprietary in-house products and partnered programmes. The Company has a diversified and growing revenue base through partnerships and licence agreements with pharmaceutical companies, commercial sales of Ogluo® and significant upside potential from its diabetes and obesity proprietary pipelines which are further described below.

**a) Partnership products:**

**Technology partnerships**

Arecor has a portfolio of technology partnerships with leading pharmaceutical and biotechnology companies developing enhanced, differentiated version of their proprietary products across a range of indications and stages of development. These partnerships are revenue generating from inception generating fees for access to Arecor's technology, expertise and its broad IP portfolio. Once Arecor has completed this initial development work, the partners have the opportunity to license the novel formulations developed by Arecor and the associated IP such that they can further develop and commercialise these enhanced products. These licenses are typically milestone and royalty based and offer significant upside potential. The Group's technology partnerships include agreements with some of the largest pharmaceutical and MedTech companies in the world including Eli Lilly and Medtronic. These partnerships highlight the strength and the need for the Arestat™ technology platform, provide near-term revenue generation as well as offering significant upside potential from potential future licencing arrangements.

**Technology licencing model**

Arecor currently has three products under licence agreements with partners including Sanofi, Hikma and an undisclosed partner for AT220. These novel formulations of the products under license have been developed incorporating the Group's Arestat™ technology and have been

subsequently licenced to the partners who are responsible for further development and commercialisation.

Arecor's AT220 product (undisclosed biosimilar), is the first product incorporating the Arestat™ technology to be launched (November 2023) and is now generating royalties under a worldwide license agreement, representing a clear validation of the Arestat™ platform and demonstrating the strength of the Group's technology and value it has to partners.

**b) Specialty Hospital Portfolio:**

**Commercial products**

Arecor's specialty hospital products franchise includes the Tetrus Pharma portfolio and Arecor's in-house development pipeline of specialty hospital products, one of which is under license with Hikma Pharmaceuticals. The focus of the specialty hospital product portfolio is to develop ready-to-use ("RTU") and ready-to-administer ("RTA") versions of existing therapeutic products that have the potential to enable fast, safer and effective treatment options for patients.

Tetrus Pharma's lead product Ogluo®, is a RTU glucagon product for the treatment of severe hypoglycaemia in people with diabetes. In the year ended 31 December 2023, product sales of Ogluo® totalled £2.9 million (2022: £1.0 million) and notwithstanding that first half of 2024 sales have been significantly tempered by the availability of Ogluo® stock, the Directors anticipate, with increased investment from the Fundraising, additional 60 per cent. growth potential in 2024. Tetrus Pharma have an exclusive long-term licence agreement from Xeris Pharmaceuticals Inc. in the US, to sell Ogluo® in the UK, Europe and Switzerland. Tetrus Pharma continues to build sales momentum through the commercial roll-out of Ogluo® and is focused on expansion throughout the UK and Germany. Subject to funding, increased inventory availability will provide a significant opportunity for the commercial expansion with a target of cashflow breakeven for the Tetrus Pharma subsidiary in 2026.

Tetrus Pharma is targeting gaining market share in the UK and Germany where the RTU glucagon market is estimated to be worth approximately £18 million and £9.5 million respectively. With increased investment, Tetrus Pharma plan to focus on implementing targeted awareness campaigns to drive demand and revenue growth through 2024 and 2025 in the UK and Germany. Dr Helen Parris was appointed as Senior Vice President, Commercial and General Manager of Tetrus Pharma in January 2024, and is a key catalyst in driving revenue growth and commercialisation.

**c) Proprietary Product Portfolio**

**Proprietary product portfolio**

The Group's in-house proprietary product portfolio is focused on areas of high unmet patient needs in high value markets, which can be addressed using the Group's Arestat™ technology platform developing enhanced versions of existing medicines. The primary area of focus is on diabetes and obesity with the high-level strategy to develop valuable data packages and demonstrate superiority of these products to enable future high-value partnership opportunities under the Group's licensing model.

The Group's proprietary diabetes insulin products have demonstrated clinical superiority across four clinical studies to date comparing Arecor's products against the best-in-class insulins currently available to patients from Eli Lilly and Novo Nordisk.

*AT278 - ultra-concentrated, ultra-rapid acting insulin:*

AT278 (500 U/mL) is an ultra-concentrated, ultra-rapid acting, novel formulation of insulin that accelerates the absorption of insulin post injection, even when delivered at a high concentration, and hence a lower injection volume. With no concentrated (>200 U/mL), rapid acting insulins on the market, AT278 has potential to be the first, and only, insulin available to the growing number of patients with high daily insulin requirements, bringing the advantage of lower injection volume and potentially fewer injections for those on MDI (multiple daily injection) therapy. In the US, the average daily insulin use for a person with Type 2 diabetes is ~100 units/day, with ~18 per cent. of Type 1 diabetics also requiring ≥100 units/day. Furthermore, despite the improvements in outcomes among people with diabetes who use insulin pumps and automated insulin delivery (AID) systems, they are still only used by less than 40 per cent. of people with Type 1 diabetes and less than 10 per cent. of people with Type 2 diabetes in the US. The size and short duration of wear of existing insulin pumps remains a significant barrier to use. AT278 has the potential to be the only highly concentrated, ultra-rapid acting insulin to enable the next generation of miniaturised, longer wear insulin pumps. The insulin pump market is valued at circa \$5.5 billion market today, with a significant opportunity for substantial growth in this market by expanding use across the Type 1 and Type 2 patient population that can be further enabled by AT278 and a next generation insulin pump.

In a Phase I clinical study in Type 1 diabetic patients, AT278 clearly demonstrated superiority for onset of appearance and insulin exposure (PK) and superior accelerated glucose-lowering effect (PD) profile compared to the lower concentration NovoRapid® (100U/mL).

On 20 May 2024, Arecor announced highly positive results for AT278, which demonstrated superiority over NovoRapid® and Humulin® R U-500 in a phase I clinical trial in overweight and obese people with Type 2 diabetes.

Together with its superior profile in the earlier Phase I clinical study in Type 1 diabetic patients, AT278 has demonstrated its ability to maintain a fast and superior onset of action and glucose lowering profile irrespective of diabetes type and BMI. This makes AT278 completely unique in the competitive field of insulin analogues. Not only does it have the potential to significantly improve post-prandial glucose control whilst lowering burden for anybody with diabetes who has a high daily insulin need, it can act as a catalyst in the development of miniaturised insulin delivery systems, where the size of existing devices is a significant barrier to use for many patients.

As announced on 10 June 2024, the Board believes that, subject to funding, the optimal value inflexion point for AT278 and potential value for Shareholders is likely to be best achieved through conducting an insulin pump study which the Director's believe should provide sufficient data for potential licensing partners, to further demonstrate the potential of AT278 to disrupt the market by enabling the next generation of highly

further demonstrate the potential of AIZ/8 to disrupt the market by enabling the next generation of truly miniaturised, longer-wear insulin pumps, a key focus for patients, physicians and the industry. Therefore, the Directors continue to explore funding options, including but not limited to co-development arrangements, to conduct the clinical pump study. The Directors believe the pump study will deliver major valuation accretion which will increase the potential for, and value of, strategic dealmaking providing greater optionality for discussions with third parties around, inter alia, co-development of AT278.

#### ***AT247 - ultra-rapid acting insulin:***

AT247 (100U/mL), is an Arestat™ enabled formulation of insulin designed to accelerate the absorption of insulin post injection, to enable more effective management of blood glucose levels for people living with diabetes, particularly around difficult to manage mealtimes. In a European Phase I first-in-man study, AT247 demonstrated highly favourable results with a faster acting and superior glucose lowering PK/PD profile when compared to currently available gold standard rapid acting insulins, Novo Nordisk's NovoRapid® and Fiasp®. With a superior PK/PD profile, AT247 has the potential to enable even more effective disease management for people with Type I diabetes using fully automated delivery of insulin via a pump in closed loop mode. Arecor is currently exploring the potential for AT247 for clinically improve time-in-range (time in target blood glucose range) when combined with tuned algorithms with a number of insulin device companies.

The Group's proprietary product portfolio has significant opportunity to further expand its proprietary pipeline of different therapeutic injectables for partnering and is a continued focus of research and development. The Group has established a research collaboration with TRx Biosciences for the formulation development of an oral GLP-1 receptor agonist product. With current treatment options mostly limited to injectable therapies, many patients in need are unable to benefit from these highly effective treatments providing a significant market opportunity with the GLP-1 market forecast to reach \$80-100 billion by 2030. The collaboration provides scope for expansion to develop further oral peptide products, including additional peptides and combination approaches which may be key in the treatment of obesity-related health conditions, as well as peptide products targeting multiple therapeutic areas. If technically successful, Arecor anticipates its oral GLP-1 product to be highly commercially attractive to partners and also allow expansion more broadly into oral delivery of peptides.

#### ***Current Trading***

Whilst it remains early in the financial year, the Group currently expects revenue for 2024 to remain in line with consensus analyst market expectations. However, it should be noted that this remains dependent on revenue growth across all areas of the business including new potential licensing deals, increased Tetris Pharma sales and royalties from AT220. The timing and magnitude of the Group's revenue streams from its partnered portfolio and demand for Ogluo® are uncertain and are not all fully within the Group's control. Total (unaudited) revenue for the first half of 2024 was £1.9 million (first half 2023 unaudited: £1.7 million) which does not include second quarter 2024 AT220 royalties (royalty statement is due around the end of July). The Group's unaudited cash position at 30 June 2024 was £2.5 million.

The Company continues to examine cost mitigation, has implemented a number of short-term measures and continues to explore longer term cost savings and funding options, including non-dilutive funding such as, but not limited to, grant funding and co-development funding across its proprietary diabetes portfolio. The Company is focused on managing its working capital efficiently.

The Company is in advanced discussions regarding the appointment of a new CFO.

#### ***Rationale for the Transaction***

As outlined above, the Directors believe that Arecor has multiple opportunities for revenue growth and value creation for Shareholders across its partnership products and its speciality products portfolio through a combination of product sales, royalties and milestones. In the medium-term the Directors believe there are significant opportunities that may be generated through its proprietary diabetes portfolio. In order to deliver the growth opportunities, the Group is seeking to raise approximately £6 million by way of the Placing and Subscription and up to a further £1 million by way of the Retail Offer in order to provide a sound financial platform allowing Arecor to deliver significant valuation inflexion points.

As noted in the Company's trading update announced on 10 June 2024, the Company stated that further funding is required for working capital purposes as result of the timing of potential pipeline revenues and an increase in costs. Should the Resolutions not be approved at the General Meeting, the net proceeds from the Fundraising will not be received by the Company, which may materially and adversely impact the Group's financial position and its ability to continue with its strategy as intended.

#### ***Use of Proceeds***

The net proceeds from the Placing and Subscription will be used to drive revenue growth across the business and seek to deliver significant value inflexions. Subject to achieving expected revenues and cash in-flows, the Directors believe the Placing and Subscription will provide the Company with a cash runway for two years from Admission. Subject to the Resolutions being passed at the General Meeting, the Directors intend to use the net proceeds of the Placing and Subscription as follows:

- i. £2.7 million - continue to invest in Arecor research and development with a focus on delivering enhanced injectables and oral-GLP-1 data packages to convert value driving partnering, working capital.
- ii. £2.7 million - investment in Tetris Pharma to drive Ogluo® product sales through investment in inventory and in awareness and marketing campaigns in the UK and Germany with the aim to reach cashflow positive in 2026.

It is intended that the net proceeds of the Retail Offer will be used to provide general working capital and balance sheet strength.

## Details of the Transaction

The Company is proposing to raise approximately £6 million (before expenses) through the Placing, to new and existing institutional investors, and the Subscription, in each case at the Issue Price. Alongside the Placing and the Subscription, the Company intends to launch the Retail Offer at the Issue Price pursuant to which qualifying retail investors in the UK will have the opportunity to subscribe for new Ordinary Shares at the Issue Price to raise up to a further £1 million.

The approximately 7,777,774 new Ordinary Shares to be issued pursuant to the Placing, Subscription and Retail Offer will, assuming the Retail Offer is subscribed for in full, represent approximately 20.3 per cent. of the Enlarged Share Capital following Admission. It is expected that, subject to, amongst other things, approval of the Resolutions at the General Meeting, the new Ordinary Shares will be admitted to trading on AIM at 8.00 a.m. on or around 9 August 2024 (or such later date and/or time as the Company, Panmure Liberum, WG Partners and Beech Hill Securities may agree not being later than 5.00 p.m. on 31 August 2024).

### Placing

The Placing is being made available to certain institutional investors, other professional investors and certain Directors of the Company to raise gross proceeds of approximately £5 million.

Panmure Liberum, WG Partners and Beech Hill Securities, as agents for the Company, have severally (and not jointly or jointly and severally) agreed to use their reasonable endeavours to procure Placees for the Placing Shares at the Issue Price by way of an accelerated bookbuild process on and subject to the terms of the Placing Agreement and this Announcement.

The result of the Placing will be announced as soon as practicable after the close of the Bookbuild.

The obligations of Panmure Liberum, WG Partners and Beech Hill Securities under the Placing Agreement in respect of the Placing are conditional, *inter alia*, upon:

- i. Resolutions 1 and 2 being passed at the General Meeting;
- ii. the Placing Agreement becoming unconditional in all respects (save for any condition relating to the Admission) and not having been terminated in accordance with its terms prior to Admission; and
- iii. Admission having become effective on or before 8.00 a.m. on 9 August 2024 (or such later date and/or time as the Company, Panmure Liberum, WG Partners and Beech Hill Securities may agree not being later than 5.00 p.m. on 31 August 2024).

If any of the conditions above are not satisfied or waived (where capable of waiver), the Placing Shares will not be issued.

The Placing Shares will be issued free of all liens, charges and encumbrances and will, when issued, be fully paid, and rank *pari passu* in all respects with the Existing Ordinary Shares, including the right to receive dividends and other distributions declared, paid or made after the date of their issue.

Subject to, *inter alia*, the passing of the Resolutions, application will be made to the London Stock Exchange for the admission of the Placing Shares, the Subscription Shares and the Retail Shares to trading on AIM. Admission is expected to occur and dealings are expected to commence in the new Ordinary Shares at 8.00 a.m. on 9 August 2024 (or such later date and/or time as the Company, Panmure Liberum, WG Partners and Beech Hill Securities may agree not being later than 5.00 p.m. on 31 August 2024). If Admission does not occur, then the Company will not receive the net proceeds from the Fundraising in respect of Admission and the Company may not be able to finance the activities it intends to utilise the net proceeds of the Fundraising, as described in this Announcement.

## **Subscription**

Certain existing Shareholders of the Company, one of whom is a Director of the Company, have conditionally agreed to subscribe for in aggregate 1,155,554 Subscription Shares at the Issue Price raising gross proceeds of £1,040,000. The Subscription will not be underwritten in any respect.

The Subscription will be conditional upon, amongst other things, (a) the Placing Agreement becoming unconditional in all respects (save for any condition relating to the Admission) and not having been terminated in accordance with its terms prior to Admission; (b) the passing without amendment of all the Resolutions at the General Meeting and (c) Admission occurring in respect of the Subscription Shares by 8:00 a.m. on 9 August 2024 or such later time and date as the Company and Panmure Liberum, WG Partners and Beech Hill Securities may agree.

If the conditions for the Subscription are not satisfied or waived (where capable of waiver), the Subscription will lapse and the Subscription Shares will not be allotted and issued and no monies will be received by the Company pursuant to the Subscription.

The Subscription Shares will, when issued and fully paid, rank *pari passu* in all respects with the Existing Ordinary Shares then in issue, including the right to receive all dividends and other distributions declared, made or paid after the date of Admission.

## **2. General Meeting**

The Directors do not currently have sufficient authority to allot the new Ordinary Shares pursuant to the Fundraising and, accordingly, the Board will be seeking the approval of Shareholders, at the General Meeting, to allot the new Ordinary Shares in order to carry out the Fundraising.

You will find set out at the end of the Circular a notice convening the General Meeting, to be held at the offices of Covington & Burling LLP at 22 Bishopsgate, London EC2N 4BQ on 8 August 2024 at 1:00 p.m. at which the following Resolutions will be proposed:

The Placing is also conditional upon the Placing Agreement becoming unconditional (including with respect to the passing of the Resolutions) and the Placing Agreement not being terminated in accordance with its terms. Further details of conditions in relation to the Placing are set out below in the paragraph entitled "Conditions of the Placing".

A Placee agrees to become a member of the Company and agrees to subscribe for those Placing Shares allocated to it by the Joint Bookrunners at the Issue Price, conditional on: (i) Admission occurring and becoming effective by 8.00 a.m. on 9 August 2024 (or such later time and/or date, not being later than 5.00 p.m. on 31 August 2024, as the Company and the Banks may agree); (ii) the Placing Agreement becoming otherwise unconditional in all relevant respects and not having been terminated in accordance with its terms on or before the date of the relevant Admission; and (iii) the Banks confirming to the Placees their allocation of Placing Shares.

If any Placee fails to pay as so directed and/or by the time directed, the relevant Placee's application for Placing Shares shall at the Banks' discretion either be rejected or accepted in which case the paragraph below entitled "Registration and Settlement" shall apply to such application.

#### **PARTICIPATION IN, AND PRINCIPAL TERMS OF, THE PLACING**

Each of the Banks (whether itself or through its affiliates) is arranging the Placing as an agent of the Company for the purpose of using reasonable endeavours to procure Placees at the Issue Price for the Placing Shares.

Participation in the Placing will only be available to persons who may lawfully be, and are, invited to participate by the Banks. Each Bank and its affiliates may participate in the Placing as principal.

By participating in the Placing, Placees will be deemed to have read and understood this Announcement in its entirety and to be participating and making an offer for Placing Shares on the terms and conditions, and to be providing the representations, warranties, acknowledgements, agreements and undertakings contained in this Appendix.

This Appendix gives details of the terms and conditions of, and the mechanics of participation in, the Placing. No commissions will be paid to Placees or by Placees in respect of any Placing Shares.

The number of Placing Shares to be issued, and the extent of each Placee's participation in the Placing (which will not necessarily be the same for each Placee), will be agreed between the Joint Bookrunners (following consultation with the Company) following completion of the book building process in respect of the Placing (the "Bookbuild"). No element of the Placing will be underwritten. The aggregate number of Placing Shares will be announced as a Resulting Information

Placing will be underwritten. The aggregate number of Placing Shares will be announced on a Regulatory Information Service following completion of the Bookbuild.

A Placee's commitment to acquire a fixed number of Placing Shares under the Placing will be agreed orally with the relevant Bank as agent of the Company. Each Placee's allocation will be confirmed to Placees orally or by email by the relevant Bank, and a form of confirmation will be dispatched as soon as possible thereafter. The oral or email confirmation to such Placee will constitute an irrevocable legally binding commitment upon such person (who will at that point become a Placee) in favour of each Bank and the Company, under which it agrees to acquire the number of Placing Shares allocated to it at the Issue Price on the terms and conditions set out in this Appendix and in accordance with the articles of incorporation of the Company.

The Placing Price is payable to the relevant Bank (as agent for the Company) by all Placees.

By participating in the Placing, each Placee will have an immediate, separate, irrevocable and binding obligation, owed to the relevant Bank (as agent for the Company), to pay to it (or as it may direct) in cleared funds an amount equal to the product of the Placing Price and the number of Placing Shares such Placee has agreed to acquire.

The Joint Bookrunners reserve the right to scale back the number of Placing Shares to be subscribed by any Placee in the event that the Placing is oversubscribed. The Joint Bookrunners also reserve the right not to accept offers to subscribe for Placing Shares or to accept such offers in part rather than in whole. The acceptance and, if applicable, scaling back of offers shall be at the absolute discretion of the Joint Bookrunners.

Except as required by law or regulation, no press release or other announcement will be made by the Banks or the Company using the name of any Placee (or its agent), in its capacity as Placee (or agent), other than with such Placee's prior written consent.

Irrespective of the time at which a Placee's allocation pursuant to the Placing is confirmed, settlement for all Placing Shares to be acquired pursuant to the Placing will be required to be made on the basis explained below under the paragraph entitled "Registration and Settlement".

All obligations under the Placing will be subject to fulfilment or (where applicable) waiver of, amongst other things, the conditions referred to below and to the Placing not being terminated on the basis referred to below.

By participating in the Placing, each Placee will agree that its rights and obligations in respect of the Placing will terminate only in the circumstances described below and will not be capable of rescission or termination by the Placee.

To the fullest extent permissible by law, none of the Company, the Banks, their affiliates or any of their respective Representatives shall have any liability to Placees (or to any other person whether acting on behalf of a Placee or otherwise under these terms and conditions). In particular, none of the Company, the Banks or any of their respective affiliates shall have any liability (including to the fullest extent permissible by law, any fiduciary duties) in respect of the Banks' conduct of the Placing. Each Placee acknowledges and agrees that the Company is responsible for the issue of the Placing Shares to the Placees and each Bank shall have no liability to the Placees for the failure of the Company to fulfil those obligations.

#### CONDITIONS OF THE PLACING

The obligations of the Banks under the Placing Agreement in respect of the Placing Shares are conditional on customary conditions including, *inter alia*:

2. the Company allotting, subject only to Admission, the Placing Shares in accordance with the Placing Agreement;
3. the Company allotting, subject only to Admission, the Retail Shares and the Subscription Shares in accordance with the Placing Agreement;

5. the warranties contained in the Placing Agreement, being true, accurate and not misleading at the date of the Placing Agreement (and remaining true, accurate and not misleading at any time between such date and Admission) by reference to the facts then subsisting; and
6. the Company having complied with its obligations under the Placing Agreement.

If (a) any of the conditions contained in the Placing Agreement in relation to the Placing Shares are not fulfilled or waived by the Joint Bookrunners by the respective time or date where specified (or such later time or date as the Company and the Joint Bookrunners may agree not being later than 5.00 p.m. on 31 August 2024 (the "**Long Stop Date**")); or (b) the Placing Agreement is terminated as described below, the Placing will lapse and the Placees' rights and obligations hereunder in relation to the Placing Shares shall cease and terminate at such time and each Placee agrees that no claim can be made by the Placee in respect thereof.

Any such extension or waiver will not affect Placees' commitments as set out in this Announcement.

Neither the Joint Bookrunners nor the Company shall have any liability to any Placee (or to any other person whether acting on behalf of a Placee or otherwise) in respect of any decision they may make as to whether or not to waive or to extend the time and/or date for the satisfaction of any condition to the Placing nor for any decision they may make as to the satisfaction of any condition or in respect of the Placing generally and by participating in the Placing each Placee agrees that any such decision is within the absolute discretion of the Joint Bookrunners.

#### RIGHT TO TERMINATE UNDER THE PLACING AGREEMENT

Each Bank is entitled, at any time before Admission, to terminate its obligations under the Placing Agreement in accordance with its terms by giving notice to the Company in certain circumstances, including, *inter alia*:

1. where the Company has failed to comply with any of its obligations under the Placing Agreement which is material in the context of the Group, the Placing and/or Admission; or
2. where any of the warranties given by the Company to the Banks under the Placing Agreement are not true or accurate or were misleading when given or would not be true and accurate or would be misleading if repeated (by reference to the facts and circumstances in each case then existing) in a respect which is material in the context of the Group, the Placing and/or Admission; or
3. where, amongst other things, there is a material adverse change in the condition, earnings, business, operations or prospects of the Group or if there is a material adverse change in the financial, political, economic or stock market conditions, which in the opinion of Panmure Liberum and/or WG Partners and/or Beech Hill Securities (acting in good faith) makes it impractical or inadvisable to proceed with the Placing.

Where Panmure Liberum, WG Partners and/or Beech Hill Securities terminates its obligations under the Placing Agreement, Panmure Liberum and/or WG Partners may elect to allow the Placing to proceed. In such circumstances, the Placing Agreement will only terminate insofar as it relates to the terminating party and the Placing Agreement will remain in full force and effect with respect to the remaining Banks and the Company. If Panmure Liberum and WG Partners both elect to terminate its obligations under the Placing Agreement, the Placing Agreement will terminate in accordance with its terms.

Only if the Placing Agreement is terminated in accordance with its terms, the rights and obligations of each Placee in respect of the Placing as described in this Announcement shall cease and terminate at such time and no claim may be made by any Placee in respect thereof.

Following Admission, the Placing Agreement is not capable of termination to the extent that it relates to the Placing of the Placing Shares.

The rights and obligations of the Placees shall terminate only in the circumstances described in these terms and conditions and in the Placing Agreement and will not be subject to termination by the Placee or any prospective Placee at any time or in any circumstances. By participating in the Placing, Placees agree that (i) the exercise by any Bank of any right of termination or other discretion under the Placing Agreement shall be within the absolute discretion of the Banks, and that it need not make any reference to Placees and that it shall have no liability to Placees whatsoever in connection with any such exercise or decision not to exercise; and (ii) its rights and obligations terminate only in the circumstances described above under 'Right to terminate under the Placing Agreement' and 'Conditions of the Placing', and its participation will not be capable of rescission or termination by it after oral confirmation by the Joint Bookrunners of the allocation and commitments following the close of the Bookbuild. Placees will have no rights against each Bank, the Company or any of their respective directors or employees under the Placing Agreement pursuant to the Contracts (Rights of Third Parties) Act 1999 (as amended).

#### **NO PROSPECTUS**

The Placing Shares will not be offered in such a way as to require a prospectus in the United Kingdom or elsewhere. No offering document or prospectus has been or will be submitted to be approved by the FCA in relation to the Placing and Placees' commitments will be made solely on the basis of the information contained in this Announcement and certain business and financial information the Company is required to publish in accordance with the AIM Rules and the rules and practices of the FCA (collectively "**Exchange Information**").

Each Placee, by accepting a participation in the Placing, agrees that the content of this Announcement, including this Appendix, is exclusively the responsibility of the Company and has not been independently verified by the Banks. Each Placee, by accepting a participation in the Placing, further confirms to the Company and each Bank that it has reviewed all the information that it believes necessary or appropriate and has not relied on any representation, warranty, or statement made by or on behalf of the Company or a Bank or any other person and neither the Banks nor the Company nor any other person will be liable for any Placee's decision to participate in the Placing based on any other information, representation, warranty or statement which the Placees may have obtained or received. Each Placee acknowledges and agrees that it has relied on its own investigation of the business, financial or other position of the Company in accepting a participation in the Placing. Nothing in this paragraph shall exclude the liability of any person for fraudulent misrepresentation.

#### **REGISTRATION AND SETTLEMENT**

Settlement of transactions in the Placing Shares (ISIN: GB00BMWLM973) following Admission will take place within CREST provided that, subject to certain exceptions, the Banks reserve the right to require settlement for, and delivery of, the Placing Shares (or a portion thereof) to Placees by such other means that they may deem necessary if delivery or settlement is not possible or practicable within CREST within the timetable set out in this Announcement or would not be consistent with the regulatory requirements in any Placee's jurisdiction.

Each Placee allocated Placing Shares in the Placing will be sent a trade confirmation stating the number of Placing Shares allocated to it at the Issue Price, the aggregate amount owed by such Placee to the Banks (as agents for the Company) and settlement instructions. Each Placee agrees that it will do all things necessary to ensure that delivery and payment is completed in accordance with either the CREST or certificated settlement instructions that it has in place with the relevant Bank.

Settlement of transactions in the Placing Shares (ISIN: GB00BMWLM973) following the relevant Admission will take place within the CREST system, subject to certain exceptions. Subject to passing of the Resolutions, settlement through CREST of the Placing Shares is expected to take place on 9 August 2024 unless otherwise notified by the Banks and Admission is expected to occur no later than 5.00 p.m. on 31 August 2024 unless otherwise notified by the Banks.

The relevant Admission and settlement may occur at an earlier date. Settlement will be on a delivery versus payment basis. However, in the event of any difficulties or delays in the admission of the Placing Shares to CREST or the use of CREST in relation to the Placing, the Company and the Banks may agree that the Placing Shares should be issued in certificated form. The Banks reserves the right to require settlement for the Placing Shares, and to deliver the Placing Shares to Placees, by such other means as it may deem necessary if delivery or settlement to Placees is not practicable within the CREST system or would not be consistent with regulatory requirements in a Placee's jurisdiction.

Interest is chargeable daily on payments not received from Placees on the due date in accordance with the arrangements set out above at the rate of three percentage points above the prevailing base rate of Barclays Bank plc as determined by the Banks.

Each Placee is deemed to agree that, if it does not comply with these obligations, the Joint Bookrunners may sell any or all of the Placing Shares allocated to that Placee on such Placee's behalf and retain from the proceeds, for the Joint Bookrunners' account and benefit (as agents for the Company), an amount equal to the aggregate amount owed by the Placee plus any interest due. Any excess proceeds will pass to the relevant Placee at its risk. The relevant Placee will, however, remain liable and shall indemnify the Joint Bookrunners on demand for any shortfall below the aggregate amount owed by it and may be required to bear any stamp duty or stamp duty reserve tax or securities transfer tax (together with any interest or penalties) which may arise upon the sale of such Placing Shares on such Placee's behalf. By communicating a bid for Placing Shares, each Placee confers on the Joint Bookrunners all such authorities and powers necessary to carry out any such sale and agrees to ratify and confirm all actions which the Joint Bookrunners lawfully take in pursuance of such sale.

If Placing Shares are to be delivered to a custodian or settlement agent, Placees should ensure that the trade confirmation is copied and delivered immediately to the relevant person within that organisation.

Insofar as Placing Shares are registered in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such Placing Shares should, subject as provided below, be so registered free from any liability to UK stamp duty or stamp duty reserve tax or securities transfer tax. Placees will not be entitled to receive any fee or commission in connection with the Placing.

26. its commitment to acquire Placing Shares on the terms and conditions will continue notwithstanding any amendment that may in future be made to the terms and conditions of the Placing and that Placees will have no right to be consulted or require that their consent be obtained with respect to the Company's or the relevant Joint Bookrunner's conduct of the Placing;

Each Placee and any person acting on behalf of such Placee agree to participate in the Placing and it agrees to indemnify the Company and each Bank in

benefit of such Placee agrees to participate in the Placing and it agrees to indemnify the Company and each Bank in respect of the same on the basis that the Placing Shares will be issued to the CREST stock account of a Bank who will hold them as nominee on behalf of such Placee until settlement in accordance with its standing settlement instructions;

29. acknowledges that these terms and conditions and any agreements entered into by it pursuant to these terms and conditions and any non-contractual obligations arising out of or in connection with such agreement shall be governed by and construed in accordance with the laws of England and it submits (on behalf of itself and on behalf of any person on whose behalf it is acting) to the exclusive jurisdiction of the English courts as regards any claim, dispute or matter (including non-contractual matters) arising out of any such contract, except that enforcement proceedings in respect of the obligation to make payment for the Placing Shares (together with any interest chargeable thereon) may be taken by the Company or any Bank in any jurisdiction in which the relevant Placee is incorporated or in which any of its securities have a quotation on a recognised stock exchange;
30. acknowledges that time shall be of the essence as regards to obligations pursuant to this Appendix;
31. agrees that the Company, each Bank, their affiliates and any of their respective Representatives will rely upon the truth and accuracy of the foregoing representations, warranties, acknowledgements and undertakings which are given to each Bank on its own behalf and on behalf of the Company and are irrevocable and are irrevocably authorised to produce this Announcement or a copy thereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby;
32. agrees to indemnify on an after-tax basis and hold the Company, each Bank, their affiliates or any of their respective Representatives harmless from any and all costs, claims, liabilities and expenses (including legal fees and expenses) arising out of or in connection with any breach of the representations, warranties, acknowledgements, agreements and undertakings in this Appendix and further agrees that the provisions of this Appendix shall survive after completion of the Placing;
33. acknowledges that no action has been or will be taken by any of the Company, each Bank or any person acting on behalf of the Company or each Bank that would, or is intended to, permit a public offer of the Placing Shares in any country or jurisdiction where any such action for that purpose is required;
34. acknowledges that it is an institution that has knowledge and experience in financial, business and international investment matters as is required to evaluate the merits and risks of subscribing for the Placing Shares. It further acknowledges that it is experienced in investing in securities of this nature and in this sector and is aware that it may be required to bear, and it, and any accounts for which it may be acting, are able to bear, the economic risk of, and is able to sustain, a complete loss in connection with the Placing. 35. acknowledges that its commitment to subscribe for Placing Shares on the terms set out herein and in the trade confirmation will continue, notwithstanding any amendment that may in the future be made to the terms of the Placing and that Placees will have no right to be consulted or require that their consent be obtained with respect to the Company's conduct of the Placing;
36. acknowledges that each Bank or any of its affiliates acting as an investor for its own account may take up shares in the Company and in that capacity may retain, purchase or sell for its own account such shares and may offer or sell such shares other than in connection with the Placing;
37. represents and warrants that, if it is a pension fund or investment company, its purchase of Placing Shares is in full compliance with all applicable laws and regulation;
38. any document that is to be sent to it in connection with the Placing will be sent at its risk and may be sent to it at any address provided by it to the relevant Bank; and
39. to the fullest extent permitted by law, it acknowledges and agrees to the disclaimers contained in the Announcement, including this Appendix.

The representations, warranties, acknowledgments and undertakings contained in this Appendix are given to each Bank and the Company and are irrevocable and shall not be capable of termination in any circumstances.

The agreement to settle a Placee's subscription (and/or the subscription of a person for whom such Placee is contracting as agent) free of stamp duty and stamp duty reserve tax depends on the settlement relating only to a subscription by it and/or such person direct from the Company for the Placing Shares in question. Such agreement assumes that the Placing Shares are not being subscribed for in connection with arrangements to issue depositary receipts or to transfer the Placing Shares into a clearance service. If there are any such arrangements, or the settlement relates to any other subsequent dealing in the Placing Shares, stamp duty or stamp duty reserve tax may be payable, for which neither the Company nor the Banks will be responsible, and the Placee to whom (or on behalf of whom, or in respect of the person for whom it is participating in the Placing as an agent or nominee) the allocation, issue or delivery of Placing Shares has given rise to such UK stamp duty or stamp duty reserve tax undertakes to pay such UK stamp duty or stamp duty reserve tax forthwith and to indemnify on an after-tax basis and to hold harmless the Company and each Bank in the event that any of the Company and/or any Bank has incurred any such liability to UK stamp duty or stamp duty reserve tax. If this is the case, each Placee should seek its own advice and notify the Banks accordingly.

In addition, Placees should note that they will be liable for any stamp duty and all other stamp, issue, securities, transfer, registration, documentary or other duties or taxes (including any interest, fines or penalties relating thereto) payable outside the UK by them or any other person on the subscription by them of any Placing Shares or the agreement by them to subscribe for any Placing Shares.

Each Placee, and any person acting on behalf of the Placee, acknowledges that each Bank does not owe any fiduciary or other duties to any Placee in respect of any representations, warranties, undertakings or indemnities in the Placing Agreement.

Each Placee and any person acting on behalf of such Placee acknowledges and agrees that each Bank or any of its affiliates may, at their absolute discretion, agree to become a Placee in respect of some or all of the Placing Shares.

When a Placee or person acting on behalf of such Placee is dealing with a Bank, any money held in an account with a Bank on behalf of such Placee and/or any person acting on behalf of such Placee will not be treated as client money within the

meaning of the rules and regulations of the FCA made under the FSMA. Each Placee acknowledges that the money will not be subject to the protections conferred by the client money rules; as a consequence, this money will not be segregated from the Bank's money in accordance with the client money rules and will be used by the relevant Bank in the course of its own business and such Placee will rank only as a general creditor of that Bank.

All times and dates in this Announcement may be subject to amendment, and Placees' commitments, representations and warranties are not conditional on any of the expected times and dates in this Announcement being achieved. The Banks shall notify the Placees and any person acting on behalf of the Placees of any changes.

Past performance is no guide to future performance and persons needing advice should consult an appropriately qualified independent financial adviser.

Each Bank is entitled, at its discretion and out of its own resources, at any time to rebate to some or all of its investors, or to other parties, part or all of its fees relating to the Placing.

## MISCELLANEOUS

Solely for the purposes of the product governance requirements contained within the FCA Handbook Product Intervention and Product Governance Sourcebook (the **'UK Product Governance Rules'**), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK Product Governance Rules) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of investors who meet the criteria of professional clients and eligible counterparties each as defined in the FCA Handbook Conduct of Business Sourcebook (**"COBS"**); and (ii) eligible for distribution through all distribution channels as are permitted by the UK Product Governance Rules (the **"UK Target Market Assessment"**).

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended (**"MiFID II"**); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the **'Product Governance Requirements'**), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the Product Governance Requirements) may otherwise have with respect thereto, the Placing Shares have been subject to a product approval process, which has determined that the Placing Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II (the **EU Target Market Assessment"**).

Notwithstanding the UK Target Market Assessment and the EU Target Market Assessment, distributors should note that: the price of the Placing Shares may decline and investors could lose all or part of their investment; the Placing Shares offer no guaranteed income and no capital protection; and an investment in the Placing Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. Each of the UK Target Market Assessment and the EU Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing. Furthermore, it is noted that, notwithstanding the UK Target Market Assessment and the EU Target Market Assessment, the Banks will only procure investors who meet the criteria of professional clients and eligible counterparties, as defined under COBS or MiFID II, as applicable. For the avoidance of doubt, neither the UK Target Market Assessment nor the EU Target Market Assessment constitutes: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Placing Shares.

Each distributor is responsible for undertaking its own target market assessment in respect of the Placing Shares and determining appropriate distribution channels.
