**Bowen Fintech Plc  
(to be renamed MOH Nippon Plc on or prior to Admission)  
(the "Company")**

**Publication of Prospectus and Notice of General Meeting**

Bowen Fintech Plc (LSE: BWN), a special purpose acquisition company formed to acquire businesses in the technology innovations market with a focus on the financial services sector, is pleased to announce today the publication of its prospectus dated 31 July 2024 ("Prospectus").

On 22 December 2023, the Company announced that it had entered into non-legally binding heads of terms to acquire 93.49 per cent. of the issued share capital of Minnadeooyasan-Hanbai Co. Ltd ("MOH") from Kyosei Bank Co., Ltd ("KBC"). As a result, the Company was granted a temporary suspension of the listing on the Official List of the Financial Conduct Authority ("FCA") ("Official List") of the Company's ordinary shares of £0.01 each ("Ordinary Shares") and of its trading on the Main Market for listed securities of the London Stock Exchange Group plc ("LSE") ("Main Market") until such time as it publishes a prospectus in relation to the acquisition ("Suspension").

On 30 July 2024, the Company entered into an acquisition agreement, pursuant to which it has conditionally agreed to acquire 97.41 per cent. of the issued share capital of MOH from KBC for a total consideration of £34,466,864, to be satisfied by the issue and allotment of 229,779,093 new Ordinary Shares ("Consideration Shares") at a deemed issue price of £0.15 per Consideration Share ("Acquisition"). KBC recently (and subsequent to the Company's announcement of 22 December 2023) increased its ownership of MOH to 97.41 per cent. of the issued share capital by acquiring shares from other shareholders of MOH prior to entering into the acquisition agreement.

The Acquisition constitutes a Reverse Takeover under the UK Listing Rules as it will result in a fundamental change in the business and management of the Company. The Acquisition is conditional, *inter alia*, upon the re-admission of the Company's 55,000,000 existing Ordinary Shares and the admission of the Consideration Shares to the Official List ("Admission") and the approval by Existing Shareholders of the resolutions at the Company's General Meeting to be held on 16 August 2024, notice of which is set out at the end of the Prospectus and which is being sent to Shareholders today.

On Admission, the Company's Ordinary Shares will be admitted to the Equity Shares (transition) category of the Official List.

The FCA has confirmed that the Suspension will remain in place until Admission.

**Aamir Quraishi, Non-Executive Chairman of the Company, said:** "We are delighted to have reached this key milestone towards completing the acquisition of MOH and look forward to welcoming new colleagues in London and Tokyo. MOH is a leading crowdfunding platform for real estate investment in Japan, with an excellent track record and having raised c. £1.45 billion over the past 16 years. This, combined with having access to a pipeline of real estate opportunities as part of the KBC group of companies, means MOH is well placed to benefit from the sustained growth in the crowdfunding real estate investment market in Japan. We are also excited by the potential for diversifying our interests into real-estate technology innovation in the future, particularly regarding cold-chain logistics. We look forward to the months ahead and to updating shareholders on our progress."
