Trifast plc

(Trifast, or the Company)

Availability of 2024 Annual Report and Accounts

LONDON: Wednesday, 31 July 2024: The Company published its Annual results via RNS on 29 July 2024. The 2024 Annual report and financial statements for the year ended 31 March 2024 (Report), together with the related shareholder documents are now available to view at www.trifast.com.

The Report, together with the 2024 Notice of Meeting (AGM) and Form of Proxy has today also been sent to all shareholders by either electronic means or posted to those who have elected to receive hard copies. In accordance with Listing Rule 9.6.1 a copy of each of these documents has been submitted to the National Storage Mechanism.

The Annual General Meeting will be held at the National Distribution Centre, West Midlands on 10 September 2024 at 12.30pm. Shareholders will have the option to join the AGM in person or via the Investor Meet Company platform (IMC).

Any questions relating to the 2024 Annual report can be sent to: The Company Secretary, Trifast plc, Trifast House, Bellbrook Park, Uckfield, East Sussex TN22 1QW, alternatively email: Companysecretariat@trifast.com, or submitted via the IMC platform.

Editors note:

About Trifast plc (LSE Main listing: symbol: TRI)

Founded in 1973, Trifast is a leading international specialist in the design, engineering, manufacture, and distribution of high-quality industrial fastenings and Category 'C' components principally to major global assembly industries.

As an international business we can provide customer support from across key regions in the UK & Ireland, Asia, Europe, and North America. In addition to our service locations, we operate several manufacturing facilities focused on high volume cold forged fasteners and special parts. We have also established Engineering & innovation centres to support R&D and customer collaboration across the world.

The Group supplies to customers in c.70 countries across a wide range of industries, including light vehicle, heavy vehicle, health & home, energy, tech, & infrastructure (ET&I), general industrial and distributors. As a full-service provider to multinational OEMs and Tier 1 companies spanning several sectors, we deliver comprehensive support to our customers across every requirement, from concept design through to technical engineering consultancy, manufacturing, supply management and global logistics.
