

31 July 2024

Tribe Technology PLC

("Tribe Tech", the "Company" or the "Group")

Total Voting Rights

Tribe Technology PLC (AIM: TRYB), a disruptive technology-first developer and manufacturer of world-class autonomous mining equipment, announces that the Company's issued ordinary share capital as at the date of this announcement comprises 241,537,176 ordinary shares of 0.05 pence each with one voting right each ("Ordinary Shares"). The Company does not hold any shares in treasury. Therefore, the total number of Ordinary Shares and voting rights in the Company is 241,537,176.

The above figure may be used by shareholders in the Company as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, the share capital of the Company under the FCA's Disclosure Guidance and Transparency Rules.

About Tribe Tech

Established in 2019, Tribe Tech is an AIM listed company founded to create a safer, more efficient work environment through the development of fully autonomous RC Drill Rigs and sampling solutions for the mining industry.

Based in Northern Ireland and Western Australia, the Group's core activities are the development, in-house manufacturing, and sale of its autonomous RC Drill Rigs incorporating its core proprietary intellectual property, the Tribe Technology Drilling System ("TTDS").

In March 2024, the Company completed the build of the world's first autonomous RC Drill Rig following orders from Tier 1 mining companies.

Tribe Tech's market-leading technology will help to revolutionise the mining industry, enabling digitisation and intelligent insight through Artificial Intelligence (AI), dramatically improving safety outcomes and streamlining operations.
