#### Notes to editors

Keystone (AIM: KEYS), is an award-winning, UK Top 100, law firm, providing conventional legal services in a £10bn addressable market through its scalable and unique model, with three defining characteristics:

- Lawyers have freedom, flexibility and autonomy, and are paid up to 75% of what they bill.
- Lawyers determine how, when and where they work, in contrast to the conventional law firm model.
- Lawyers are provided full infrastructure and support via its central office team, bespoke user-friendly IT platform, and network of colleagues and events.

Keystone is a full-service law firm, with 20 service areas and more than 50 industry sectors delivered by over 400 high calibre self-employed Principal lawyers who work from their own offices.

In November 2020, Keystone was named Law Firm of the Year by The Lawyer, the first time a 'new' law firm has won the award.
