

Grant of Share Options under Share Option Scheme and Awards under Long Term Incentive Plan

Hong Kong, Shanghai, & Florham Park, NJ: Tuesday, August 6, 2024: HUTCHMED (China) Limited ("HUTCHMED" or the "Company") (Nasdaq/AIM: HCM; HKEX: 13) announces that on August 5, 2024, it granted share options ("Share Options") under the Share Option Scheme adopted by HUTCHMED in 2015 (the "Share Option Scheme") and awards ("LTIP Awards") under the Long Term Incentive Plan adopted by HUTCHMED in 2015 ("LTIP").

Aimed at attracting and retaining top talent, the Remuneration Committee of HUTCHMED appointed an independent advisor to conduct compensation benchmarking research on a selected peer group of companies. As a result of this the Remuneration Committee has comprehensively reviewed the compensation and share-based incentives policies of HUTCHMED and its subsidiaries (the "Group") and established an attractive policy to ensure the Group is able to recruit and retain top talent. In line with this review HUTCHMED has decided to make the following grant of Share Options and LTIP Awards.

1. Performance Related Share Options

HUTCHMED granted Share Options subject to the Performance Targets (defined below) under its Share Option Scheme to Dr Weiguo Su (Executive Director, Chief Executive Officer and Chief Scientific Officer), being a person discharging managerial responsibility ("PDMR") under the UK Market Abuse Regulation to subscribe for a total of 1,405,767 ordinary shares with par value US\$0.10 each in the share capital of the Company ("Ordinary Shares") subject to the acceptance of the grantee. Details of such Share Options granted are as follows:

Date of grant	: August 5, 2024
Exercise price of share options granted	: HK\$29.20 per Ordinary Share
Number of share options granted	: 1,405,767 Ordinary Shares
Closing market price of Ordinary Shares at HKEX: on the date of grant	: HK\$29.10 per Ordinary Share
Exercise period of the share options	: From August 5, 2024 to August 4, 2034
Vesting period of the share options	: Vesting will occur two business days after the date of announcement of the annual results of the Company for the financial year ending December 31, 2026 (the "2026 Results Announcement").
Performance targets	: The exercise of the share options is conditional upon the fulfilment of certain performance targets relating to the Group over the financial years 2024 to 2026 (the "Performance Targets"). The number of share options to be exercisable will be determined on the date of 2026 Results Announcement. The Performance Targets have been determined by the Board and specified in the grant letter of Dr Su. To the extent that the Performance Targets have not been met, the relevant number of share options granted to Dr Su will lapse.
Clawback mechanism	: The share options may be subject to the clawback policy of the Company enabling the Company to recover incentive-based compensation paid to covered executive officers in the event of mis-statement of the financial statements of the Company resulting from material non-compliance with financial reporting requirements.

2. Non-performance Related Share Options

HUTCHMED granted share options under its Share Option Scheme to an employee to subscribe for a total of 200,000 Ordinary Shares subject to the acceptance of the grantee. Details of such share options granted are as follows:

Date of grant	: August 5, 2024
Exercise price of share options granted	: HK\$29.20 per Ordinary Share
Number of share options granted	: 200,000 Ordinary Shares

Performance targets	: No performance targets are attached to the option granted. The Remuneration Committee of the Company is of the view that the non-performance related Share Options aims to attract a key talent to join the management team of the Company and align with the purpose of the Share Option Scheme.
Clawback mechanism	: The share options may be subject to the clawback policy of the Company enabling the Company to recover incentive-based compensation paid to covered executive officers in the event of mis-statement of the financial statements of the Company resulting from material non-compliance with financial reporting requirements.

The performance targets are determined by the Remuneration Committee of HUTCHMED based on the strategic objectives of HUTCHMED.

The shares, to be purchased by the trustee following determination of the cash amount based on actual achievement of performance targets, will then be held by the trustee until the related underlying LTIP Awards are vested. Vesting will occur three weeks after the date of completion of the share purchase for the awards for the financial year ending December 31, 2026. HUTCHMED granted Non-performance LTIP Award to an employee of the Group. No performance targets are attached to the option granted.
