Zambia Drilling Commenced

Arc Minerals (LSE: ARCM) is pleased to announce that, further to its announcement of 2 May 2024 and following the completion of an extensive ground mapping exercise over its Zambian tenements, the Anglo American/Arc joint venture has commenced drilling. A number of holes are planned at Cheyeza following which the Muswema target will be drilled.

Further details on the drilling programme will be announced as the drilling progresses.

Nick von Schirnding, Executive Chairman of Arc Minerals, commented:

"I am delighted to report the start of a major drilling campaign in Zambia following extensive geological work over our tenements. Together with an exciting drilling programme in Botswana I look forward to an active period of news flow over the next few months."
